Woodlands Federation
Executive Headteacher application pack

An exciting opportunity for an
inspirational and innovative leader for
our community of primary schools

Welcome from the Woodlands Federation

Dear Applicant,

Thank you for your interest in the post of Executive Headteacher at our three primary schools. You will see (within our pack) that our children have thought hard about what they need in our next Executive Headteacher; while we agree with most suggestions... we are looking for an experienced leader who puts children's learning first and will continue the drive for achieving excellence throughout our Federation.

Broad Oak Community School, Dallington C of E School and Punnetts Town Community School are geographically close to each other in this beautiful part of East Sussex. This means that while we value the uniqueness of each school, our school communities have strong links with the wider community of Heathfield and surrounding areas. Our latest Ofsted reports show that the schools are in different places on the journey to excellence, but we believe this gives the successful candidate variety and challenge. As the Executive Headteacher you will be lucky enough to have bright inquiring children to keep you on your toes and a dedicated and motivated team of staff who share our vision and work collaboratively to secure Federation-wide and individual school improvement.

We look forward to meeting you when you visit us. Visits can usually be accommodated to suit you with notice. Afternoons do work well. Please contact Sharon Dorman, Business Manager on 01435830335 or by email at: finance@dallington.e-sussex.sch.uk

We sincerely hope our pack provides all the necessary information and persuades you to apply for this exciting post. We look forward to showing off our schools.

Yours Sincerely,

Sam Gleadow & Simone Foy
Joint Chair of Governors

To achieve this we will create a distinctive Federation, built around leadership and learning, that results in the Woodlands Federation being recognised as one of the most successful and innovative of its type.

Children will always come first and our Federation will be judged on how well we educate and support them. Whatever their ability, we will help them to achieve a level that surpasses expectation. By placing leadership and learning at the heart of what we do, we will create a culture of success and learning which will sustain them into secondary education and in the wider community.

We will

- Provide an **outstanding** education for all of our children
- Enable our schools to bring the best practice, best teachers and best learning together so that children benefit from the sharing of ideas and expertise that produce **outstanding** learning.

We value and embrace the uniqueness of our schools with their own individual ethos and the communities they serve. We celebrate and share our best practices to benefit children across the Federation.

In partnership, we learn and grow together.

Our goal is for every school in the Woodlands Federation to **drive for, and achieve, excellence within three years**. To achieve this objective

- We will support collaboration between our schools to accelerate improvement and embed outstanding performance through great leadership and inspirational teaching.
- We will work together to identify, share and embed inspirational teaching and learning strategies that transform classroom practice.
- We will forge effective partnerships with parents and seek to engage and enthuse them at every level of their children's education.

Objective 2

To develop, support and train our staff so that they can be inspirational leaders, outstanding teachers, and excellent supporters of children's learning.

To achieve this objective

- We will create a management programme for staff that supports the development of inspirational leadership at every level of the Federation.
- We will deliver high quality professional development for all staff in order to develop a federated learning community.
- We will ensure that there are unique enrichment, development, and support opportunities available to all children through our relationship with our local communities.

OfSTED, 2016

Broad Oak Community Primary School is situated in the village of Broad Oak on the outskirts of Heathfield with far reaching views of the surrounding Sussex countryside. The school has been in the village for over 100 years and we have really grown in that time! We now have five classes on site with our playgrounds, small field and swimming pool (which we use from June-September). Opposite the main site we have a field which we use for PE and sports clubs and are now in the process of developing to run Forest School activities.

Our school has a strong family atmosphere which we are very proud of. All the staff here are committed to working in partnership with parents, families and the local community.

We value every child as an individual in their academic achievements and their personal development and want all who come to us to achieve their very best and develop a life-long love of learning. We want the children here to be happy and excited by their learning and to develop respect for themselves, others and their surroundings. We have high expectations of behaviour and learning and want our children to become responsible members of the community.

‘Probably the best kept secret in the High Weald!’

At Dallington we create a secure, caring environment providing children with Christian values that will prepare them for life. Everyone is respected, valued, developed and challenged so that they can achieve their full potential.

Punnetts Town is a marvellous school, overlooking spectacular views in Sussex with the sea at Eastbourne glimmering in the distance. With access to areas beyond our school site we have use of a large playing field. We are committed to using our rural location to the max, having just introduced a Forest Schools approach to learning outdoors, recently gaining the status of a High Weald Hero School.

We provide an outstanding education for pupils at the school, and our KS2 results reflect the dedication and hard work of our experienced teaching team. Our children are friendly, well mannered and aspire to be the best they can be. We take pride in our learning, and our newly appointed Learning Ambassadors (from Year 6) are helping all the pupils to recognise their strengths as well as helping the leadership of the school continue to improve. There is a very active school council to help the adults keep in touch with pupil opinions. Everyone who visits us comments on the calm and productive atmosphere of the school.

Children are valued and treated as individuals

“The pastoral support, guidance and care provided for pupils are outstanding”

OISTED, 2014

We enjoy keeping some of our traditional activities, such as Maypole dancing, the infant nativity at the local church and serving the community as part of the MacMillan Cake sale. We also embrace change to offer a truly broad and balanced curriculum, keeping our eyes firmly on academic achievement and attainment but ensuring our pupils have the widest possible experiences and start in life.

We are a school of vision, and enjoy the journey we are on and would like someone who is as committed, hard working and dedicated as we are to come with us and guide us to greater achievements.

We hope that person is you! Good luck, and enjoy the ride!
