

Principal's Welcome

Our school community delivers a safe and inclusive environment and a space where students can develop and thrive as they discover the possibilities for exciting future careers.

We believe that every student has the potential to succeed and that is why we start investing in their future careers as soon as they join us. Students at SBUA enjoy access to unique opportunities as part of the London South Bank University (LSBU) community.

We strive to create a supportive atmosphere while encouraging our students to work hard, embrace new challenges and develop their resilience and self-confidence. We are committed to a diverse school community and believe that our differences make us stronger. Our values of social responsibility, endeavour, kindness, empathy, and community are the golden thread that binds us together.

To get to know us better, you will find all the information you need on our website. You are always welcome to visit in person either on an open day or by appointment.
