

ST. ANDREW'S COLLEGE
Cambridge

VALUES, VISION & ETHOS

VISION

Everyone at St. Andrew's College Cambridge thrives, making excellent progress in their learning, achievement and development.

VALUES

Respect, Honesty, Kindness.

These simple and memorable values underpin everything we do as a college.

They help guide our decision making and ensure we place staff and students at the heart of everything we do.

ETHOS

At St. Andrew's College Cambridge our ethos is inclusive, highly aspirational and person focussed.

We believe that by creating the conditions for our staff to thrive, our students will be provided with a truly great education and in turn, they too will thrive and succeed. We believe in the capacity for continual improvement and use a growth mindset philosophy to focus on always striving to learn and grow.
