

## Our Values

**Care** for self and concern for others sustain and enhance our social, physical and learning environment. We express care daily through considerate and compassionate attitudes and behaviour.

**Courage**, through the attributes of fortitude, strength of character, resilience and determination, gives us the confidence to stand up for what is right, respond to the needs of others, and make a positive, purposeful contribution to the world around us.

**Integrity** is evidenced through sincerity, a commitment to the truth, and habits of sound judgement and ethical conduct. By adhering to high principles, we develop the moral framework fundamental to achieving great personal fulfilment and contributing to society.

**Respect** enables the richness and diversity of all backgrounds, cultures and abilities to be held in high regard. Through respect, we promote greater self-esteem in ourselves and others, and create a community where achievement, education, life balance and a love of learning are supported.

**Responsibility** encourages leadership and initiative, a spirit of service and commitment, and the opportunity to make a positive contribution to the school community and, ultimately society at large.
