# Welcome to Knowledge Gate International School

It is my pleasure to welcome you to Knowledge Gate International School.

We are an innovative, forward-thinking school built on solid foundations of high standards and traditional universal values. As an Inspired school, we are part of the leading global group for premium education. We offer the broadest curriculum of any private school in Oman, underpinned by a wealth of opportunities and best practice in international pedagogical methods.

As a long-standing private school of choice in Muscat, we have a proven track record of delivering high-quality academic outcomes. Our students achieve remarkable results and gain a meaningful stepping stone towards a future of success in their lives beyond school.

Knowledge Gate International School students are well-equipped to be pioneers of their future who thrive with purpose in a rapidly changing world. Our unique future-focused curriculum enables our young people to be resilient, innovative and ingenious.

The first thing that strikes visitors to the school is the welcoming environment and the happy faces of our students who enjoy their learning. Our welcoming and supportive setting is what drives so many parents to choose Knowledge Gate International School over other schools in the region. We are an inclusive and tolerant international community where people are the key focus.

Alongside academic excellence, we actively develop life skills that promote the values of integrity; compassion; gratitude; accountability; benevolence; courage, and empathy. These core values remain at the heart of our culture and are fostered by our educators and pastoral team. Additionally, the positive relationships between staff and students create a magical environment in which members of our community inspire and motivate each other daily.

To be a Knowledge Gate International School student is to be a confident global citizen who can, and will, make a difference. It is our privilege to build a close partnership with you and your children when you become part of the remarkable knowledge Gate International School family. We look forward to walking this fruitful journey with you and your family.

# About our School

Knowledge Gate International School (KGIS) is a private international school in Muscat, Oman, providing premium, British-style education from Kindergarten to Sixth Form. Located in the heart of Al Hail South, one of Muscat's most vibrant neighbourhoods, we are a dynamic school proud to pioneer a high-quality education anchored in local values and driven by a global outlook.

The KGIS ethos is to cultivate an inspiring, safe and exceptional environment. From their first day at our school, each child is empowered to develop the confidence and skills necessary to flourish as the creator of their future. Our students achieve exam results that exceed national and international averages, and many progress to the world's most prestigious universities with Class A scholarships.

KGIS is committed to academic excellence and offers a world of opportunity for every student to expand their capabilities by exploring their talents through an impressive extracurricular activities programme. We are committed to helping your child unlock their full potential and look forward to supporting them on their journey towards success.

# Parent and Student Testimonials

“We absolutely love KGIS! When we moved to Oman, our kids were so nervous to start a new school. The teachers and staff of KGIS welcomed our kids with open arms and they have been thriving ever since. We are so thankful for such a loving school. Our kids feel safe and really enjoy the learning process. We can't wait to start our third child there this fall! I highly recommend this school for expat and local children!”

“KGIS is an absolutely amazing school. We have been a part of KGIS family since 5 years now. It is a fantastic school and definitely a second home to both my children!”

“Executive Principal Liz Stanley of KGIS leads an excellent team of teachers and personnel who are committed to the development of their students via strong academic, sports, science and arts programs second to none. My four children attend KGIS and are constantly being challenged with programs to develop their self-confidence which continue to result in high academic grades, a love for sports and a strong confidence to express themselves in music, arts and science. The teachers are very engaging with students as well as parents and provide a multitude of opportunities during and after school to further develop their students. Thank you Liz and KGIS! I am confident my children will graduate with flying colors and marks!”

“KGIS is home to a welcoming body that strives to improve in all aspects every year, not settling for what good we have but striving for better. Comparing KGIS 8 years ago and KGIS now, you can see how the school has flourished throughout the years, going from a small community to a diverse and well-rounded community. This shows the school’s motivation and capability. The school does well in pushing their students to participate within the community, offering a variety of extracurricular activities, MUN, a student council. They have also offered a range of support services such as peer mentoring, a school counsellor, and assemblies raising awareness in such matters.”

**Fatima Bakheet Al Mamari, Grade 12**

“I love KGIS because the teachers are kind and caring. My favourite subject is Drama although I love all my subjects! My favourite part of the school is the Library because there are many wonderful books to read.”

**Tanya Al Said, Grade 5**

“I love KGIS because the teachers are kind and they make the lessons fun. It is ok to make mistakes – the teachers help me to fix my mistakes and this is how we learn best.”

**Amir Marvarov, Grade 3**

“I’m privileged to say this is going to be my fourth year at KGIS. Coming to KGIS has enabled me to connect with Islamic values and combine them with international perspectives, allowing me to grow as a global citizen. KGIS has an amazing multicultural community that thrives on respect and unity. I’ve felt very comfortable amongst my peers throughout these four years.”

**Shourya Menon, Grade 11**
