

## **Safeguarding and Child Protection Summary**

Hua Hin International School is committed to safeguarding and promoting the welfare of all our students.

We have policies and procedures in place that contribute to this safeguarding commitment, including our Safeguarding and Child Protection Policy, a copy of which can be requested from our school office. Our staff all receive annual training in safeguarding and child protection.

We will contact parents if we have a concern about a child in our school, unless we judge that this would be contrary to the welfare of that child.

A list of professional support agencies is given below and these can be contacted by parents. We widely promote the Thai Child Line to students and this can be contacted 24/7; advice is provided in both English and Thai.

**The HHIS Designated Safeguarding Leader is: Julie Way**

**The Deputy Designated Safeguarding Leader is: Lewis Chalk.**
