

BRIGHTON COLLEGE
INTERNATIONAL SCHOOL
BANGKOK

Aims and Ethos

- **Be academically ambitious and intellectually curious**

Descriptor: Every child will aim high to achieve the best academic progress and results possible, whilst developing a love of learning for its own sake. They will be inspired to question the world around them and learn at the edge of their comfort zone.

Core value: *Curiosity*

- **Be the best version of yourself**

Descriptor: Each pupil will be treated as unique, building on their own passions and learning styles. They will develop a well rounded sense of their individuality; supporting their wellbeing and opening pathways to educational, career and life opportunities.

Core value: *Confidence*

- **Be kind and make a difference**

Descriptor: Pupils will respect the differences in others and be empowered to have a positive impact on the world around them; developing teamwork and leadership.

Core value: *Kindness*
