

THE MANOR FAMILY

Manor Community Academy is a friendly and inclusive academy focused upon achievement, engagement and enjoyment. We are a family who work together and support each other. When you join us, you are beginning a journey and we are setting out on an adventure together.

Manor Community Academy is sponsored by the Northern Education Trust who sponsor a number of schools across the region. As with all Northern Education Trust Schools, we subscribe to the one academy rule:

'All students and adults are expected to behave in a responsible manner to themselves and others showing consideration, courtesy and respect to others at all times.'

At Manor Community Academy, we regard all of our students as individuals who are unique and special in their own right. We are focused upon working together to ensure that everyone is able to realise their potential and achieve their personal best. We want our students to enjoy their secondary school experience and engage fully in the many opportunities available to them.

When you become a Manor Boy or a Manor Girl, your school remains with you for life and you will always be part of the Manor Family.

CARE, COURTESY & CONSIDERATION IN ALL THAT WE DO

NO ORDINARY SCHOOL

These are exciting times at Manor Community Academy and there is a great deal on offer in our academy. We encourage and promote our success, celebrate our differences and are rightly proud of the diverse nature of our Manor Family.

Most importantly, we never lose sight of the fact that we are all individuals and that every single one of us brings something unique to our school – this is what separates Manor Community Academy from other schools and demonstrates that we are committed to ensuring that all of our students actively engage in their education to ensure success and enjoyment in all areas.

PROGRESS AND ACHIEVEMENT

At Manor Community Academy, we love to celebrate the achievements of our students and the progress which they make during their time with us. All students are set targets in every subject which encourages them to have high aspirations and make good progress. Staff work with students to ensure that they are supported and are able to achieve their learning goals and wider educational outcomes.

We also pride ourselves on the development our students make as young people. We enjoy seeing the achievements of our students beyond Manor as they move onto the next stage of their lives; be it sixth form, further education, training, apprenticeships, and higher education. We have excellent post 16 participation levels and we are committed to ensuring that every young person will leave Manor with qualifications that will support them in the next stage of their life.

'TO BE, OR NOT TO BE:
THAT IS THE QUESTION'

PERFORMANCE AND THE ACADEMY AT MANOR

At the very heart of our school is the Performing Arts and we are renowned for our shows and performances.

We offer drama and music to all of our students in Years 7-8 and both subjects are popular in Years 9, 10 and Year 11. In addition to this, all students have the option of signing up for 'The Academy at Manor', this is our non-selective Academy of Performing Arts. If you have a passion for music, drama or dance, then you will have the opportunity to enjoy outstanding teaching and take part in our amazing shows.

Students who are members of 'The Academy at Manor' will have some additional curriculum time, or support in music, drama and in some instances dance. In addition to this, they will be able to achieve their Arts Award up to Gold standard.

MANY OF OUR STUDENTS
ARE FOLLOWING DEGREE
COURSES IN MUSIC,
DRAMA AND DANCE AND
SOME HAVE GONE ONTO
PROFESSIONAL CAREERS.

SPORT

We are very keen to ensure that our students benefit from a wide variety of sporting opportunities both within their PE lessons and in extra-curricular activities.

We are highly committed to sporting excellence but participation and engagement are equally as important to us. As well as playing a number of sports to a high standard, we also ensure that our students are able to complete Sports Leader qualifications. Our PE curriculum is varied and includes a variety of sports, gymnastics, swimming and dance.

INVOLVEMENT AND COMMITMENT

We want all of our students to develop a sense of worth and pride in themselves and actively promote a commitment to personal development.

We also encourage all members of the Manor Family to support the development of others. We actively encourage high levels of personal responsibility and make sure that we equip our young people for their place in society.

Students at Manor will have many opportunities to engage in community activities across the Academy and they will develop a great sense of their role as active citizens.

Our students are keen to get involved with both local and international good causes and we raise a great deal of money for a variety of charities and good causes.

SUPPORT AND ORGANISATION

All students have an Achievement Leader who has oversight of their development both academically and personally; they operate as a 'headteacher' for each year group.

The form tutor who is the principal point of contact for all students and they are the key adult who will support their academic development as well as providing day to day pastoral care. In line with our family ethos, we believe that the wellbeing and welfare of our students is of great importance as they develop into confident and successful young people. There is an extensive support team around all of our students and they carefully track and monitor student progress and provide additional support and nurturing as required.

PARTNERSHIPS

The partnership between home and school is at the heart of our success.

We intend to work alongside parents and carers for the time that their child is with us, we are all members of the Manor Family. When you join Manor, you are with us for the journey and we will work together to ensure that all of our students achieve their potential and enjoy their experiences.

We enjoy positive relationships with our many partners across our wider community and we use these relationships to enhance the opportunities and experiences available to our students.
