

Welcome from the Principal, Mrs. Ruth Burke,

Dear Applicant

SISD is a unique and wonderful school in Dubai where our four key values of Bilingualism, Excellence, Sustainability and Togetherness are lived by all members of our highly engaged community.

Students at SISD are principled and open-minded inquirers, equipped with the IB Approaches to Learning, genuinely curious and highly involved in all aspects of school life.

Staff at SISD are excited by the range of opportunities created for both our day and boarding students and are encouraged to be active participants in the dynamic life of our school. The wellbeing of all members of the school community is prioritized with opportunities for wellness, sport and socializing.

Highly supported by approachable and committed colleagues and leadership, beautiful learning and social spaces (indoors and out), a wealth of collaboration and professional development opportunities, the teaching experience at SISD is unique; one that will enable opportunities, both personally and professionally.

If you are a professional who is:

- Passionate about providing rich learning opportunities
- Excited by teaching alongside professionals from a range of contexts and cultures, using a range of languages
- Curious about a system that combines the best of Swiss, IB, French, German and STEAM approaches
- Learning focused and inclusive in your approach
- Ambitious for yourself, your students and your school
- Balanced in work and life in order to thrive and supports others to thrive too

... then, we cannot wait to hear from you!

Yours faithfully

Ruth Burke
Principal
