

SCHOOL'S VALUES AND ETHOS

The North School recognises that people have different strengths and interests and we aim to give individuals the opportunity to develop those further where possible.

We expect students to have high expectations of themselves, to share our aim of 'putting achievement first' and to commit to the school's values,

As a school we value:

- **Challenge:** Everyone is expected to do their best, never settle for second best and show a determination to achieve high standards in whatever they do
- **Respect:** The school upholds each individual's right to learn and respects different views, opinions and beliefs; showing kindness and consideration towards others is a baseline
- **Resilience:** We understand that long-term success requires perseverance, quality improvements to students' work and the ability to learn from mistakes
- **Community:** We believe that being part of the school community makes us stronger; caring for each other and supporting our local community helps us achieve our very best.
- **We learn together, we celebrate together and we support each other through challenges.**
- **Leadership:** The school believes that the voice of students and the leadership they show should play a significant part in the life of The North School.
