What could we achieve if we were just that little bit Bolder?

That's what we asked ourselves as we embarked on our own Bold adventure to create a school that would stand apart. That would champion passion, knowledge and innovation. Somewhere not just to learn a curriculum but to carve a character.

A mixed secondary school, welcoming children of all faiths and no faith, here we promote difference and diversity. We want our students to have more than just an education. To learn valuable life skills and become part of the Bolder vision.

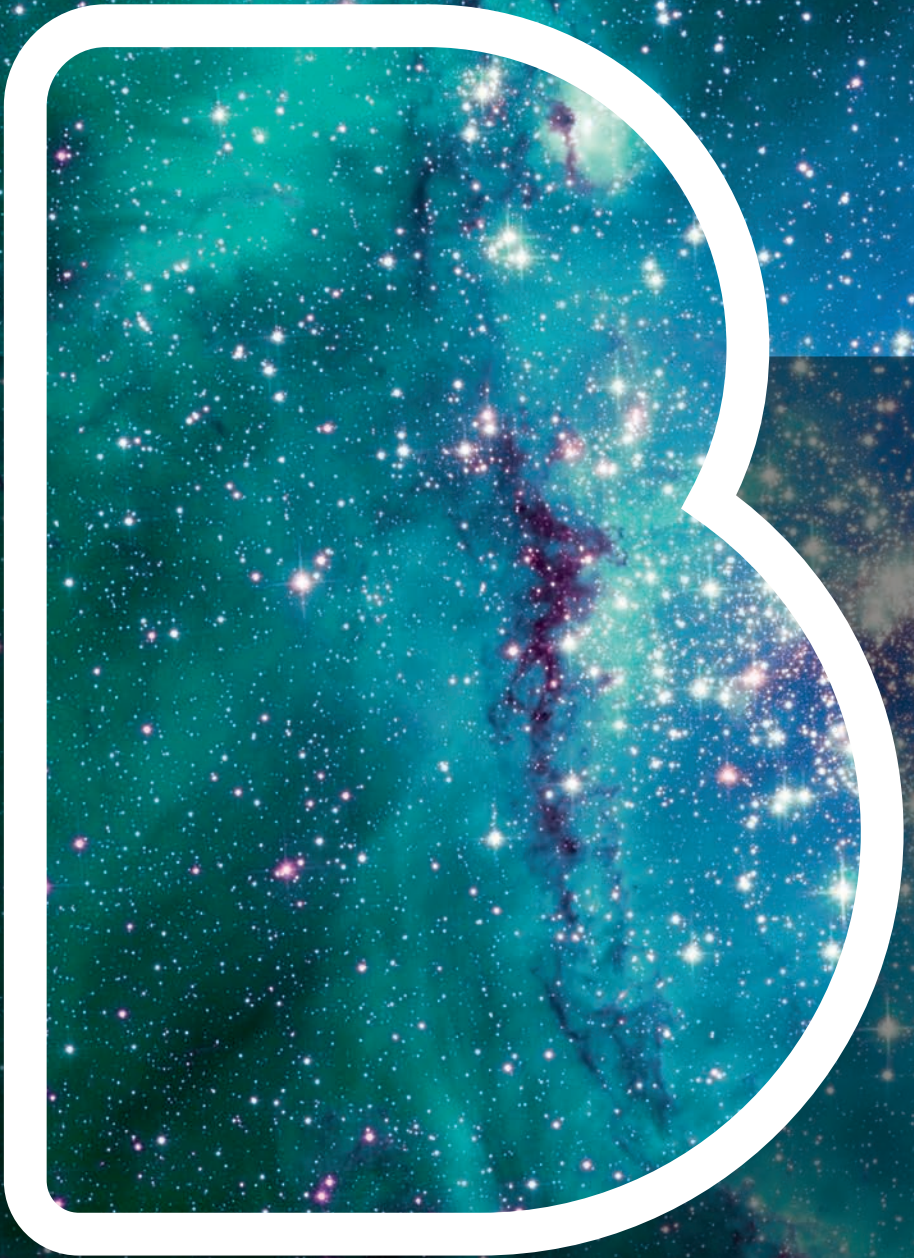

At Bolder we promote compassion, confidence and creativity in our children through living Bolder lives that are courageous and colourful in equal measure, this is what we believe in.

**Choose your future
Be Bolder.**

A handwritten signature in black ink, reading 'Heidi Swidenbank'. The signature is fluid and cursive, with a long horizontal stroke underneath the name.

Heidi Swidenbank – Principal

Ambition

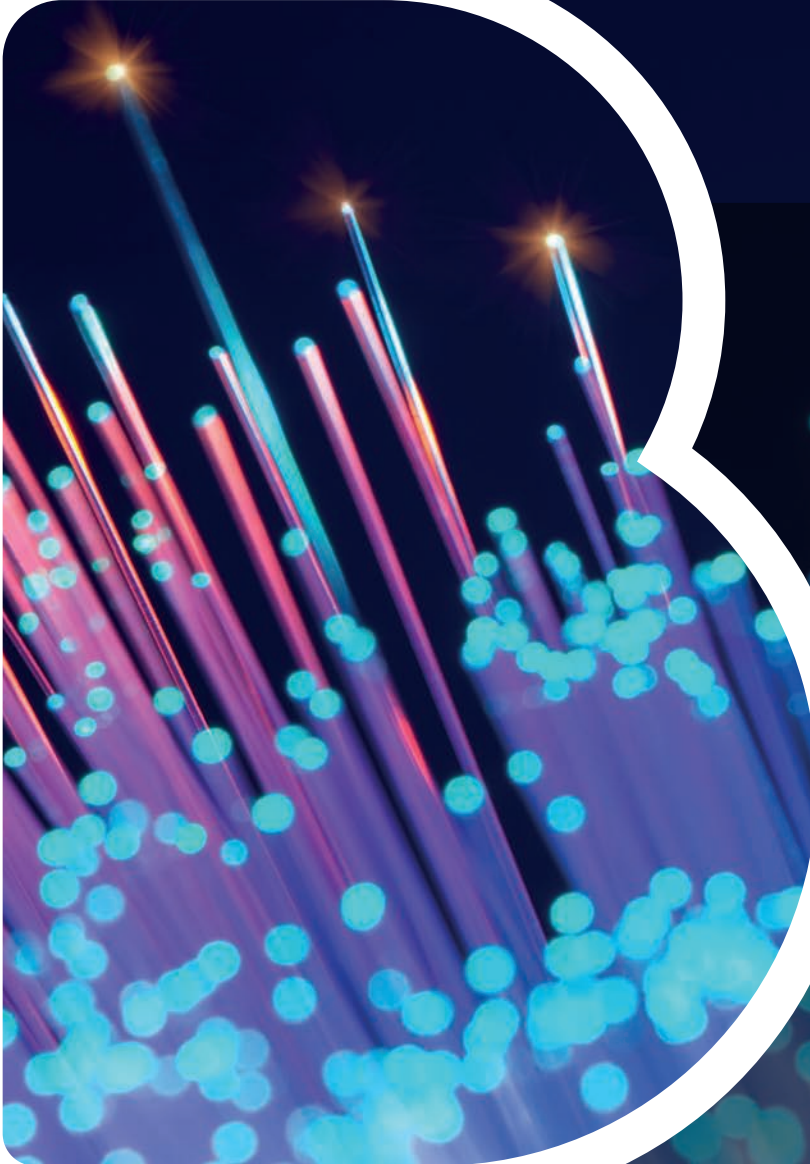

Securing Successful Futures...

At Bolder, we believe in focusing on the future. We empower our students to find their purpose and to take their place in the world.

Our shared ambition is to create excellence, optimism, openness and a strong sense of moral purpose. Engaging students in the Bolder vision, we embody education that endures, learning that will take them beyond, to find themselves and create their story.

Bolder began with purpose. Set up by a team of well-established Hounslow Primary and Secondary Headteachers, we have a shared belief of creating a school that seeks opportunities.

Excellence

Always Embodying Excellence...

At Bolder we promote brilliance, aspiring to be the best we can be. Self-confidence is encouraged and resilience is built, as both students and staff strive for excellence.

Bolder staff relish teaching, continuously reflecting on their practice and seeking improvement. Bolder parents energise their children, leading by example and encouraging them to chase opportunities. Bolder students are innovative and inspired, evolving, learning, becoming leaders themselves.

Excellence starts with us. Our Principal is an OFSTED inspector who understands excellence in education, supported by a strong board of directors, each driving our success.

Courage

Taking Calculated Risks...

Without risk, there's no reward. We champion courage, supporting our students to challenge convention, build independence and foster resilience.

Being Bolder means grabbing opportunities, questioning and standing out from the rest. Our students understand that the world is ever changing and know the need to adapt and assert themselves. Courage is what drives them to achieve their goals, having the belief in themselves and their school, we'll back them every step of the way.

It takes courage to build a community determined to make a difference. We lead from the front when it comes to creativity, courage and compassion. Seeking brilliance, that's the Bolder way.

Creativity

Cultivating Creativity...

At Bolder, creativity is key. We encourage students both to learn and to play, to find their voice and express themselves.

Innovation and imagination are at the heart of what we do. Our state of the art building and superb facilities are designed with creativity and the arts at the core. Students will be exposed to leaders in technology, creative media and the arts alongside collaboration with other schools.

We have designed our curriculum to maximise learning opportunities and encourage collaboration, working alongside leading local businesses such as Sky.

Belonging

We're Better Together...

At Bolder, we promote diversity, embracing and celebrating our differences. We understand that together we're stronger and both a feeling of belonging and a sense of compassion are at the core of our culture.

We celebrate belonging in the school; caring for each other, trusting one another and taking pride in being Bolder. We celebrate belonging in the community; promoting the local and global opportunities this offers. We also celebrate belonging in ourselves, finding out who we are and building confidence and connections.

A collaborative culture is our promise. We have built close connections with other schools, combining our knowledge as Headteachers so that we can create opportunities to engage and shine stronger. Belonging is the essence of Bolder.

Bolder is about stepping up and seizing the opportunities in front of us. It's about standing together, a strong community of likeminded students, ready to face challenges and commit to change.

Bolder is for those who want a vibrant, values led secondary school that promotes inclusivity, belonging and vitality. If you're seeking somewhere that's courageous, creative, purposeful and in pursuit of excellence, subscribe to Bolder Academy and be on the pulse with all the latest happenings at www.BolderAcademy.org.

Shine brighter. Be Bolder.

The logo for Bolder Academy features a large, dark grey, stylized letter 'B' that serves as a background. Inside the lower-left portion of the 'B', the words 'Bolder' and 'Academy' are stacked vertically in a white, bold, sans-serif font.
