Dear applicant,

Thank you for your interest in Grove Academy, may I take this opportunity to welcome you to our wonderful community.

Grove Academy is a vibrant and inclusive school and I am very proud of our school community and everything we stand for. It gives me great pleasure every day to see our learners displaying such enthusiasm and positivity and becoming the active citizens and leaders that our future needs.

We offer a curriculum that enables our students to be confident, responsible and active citizens of Slough. Our students are resilient and creative learners, able to apply their learning to real life situations. Our students are happy and safe within a unique collaborative learning community, where we learn from the best practices in both primary and secondary.

As Principal, I am seeking to appoint exceptional talent; staff who are committed to innovation, inclusion and who are excited by the challenge of growing our new school.

My team and I look forward to meeting you. If you would like to discuss the role further please contact Carolyn Daniel at cdaniel@sasheducation.co.uk. To find out more about what Grove stands for, watch our video [here](#)

Teaching and Learning at Grove

To deliver the school's mission statement, we have created the Grove 5.

- The Grove 5 sits at the front of learning at Grove. This provides the building blocks from which we plan our lessons and provide engaging learning opportunities in the classroom, ensuring all students are active participants in their own learning. Most importantly, it supports the development and growth of well-rounded individuals, competent in the skills employers and university value.

At Grove we are

- Relentless Readers
- Active Learners
- Knowledge Retrievers
- Quality Talkers
- Critical Connectors
