# WELCOME FROM EXECUTIVE MASTER OF MERCHISTON CHINA

曼彻斯通(中国区)总校长

It is a great pleasure and huge privilege for us to welcome you to Merchiston International School, Shenzhen. Coming from Edinburgh we bring with us our enthusiasm for everything that the name Merchiston stands for plus the excitement of playing an important role in the 'sister school' located in Shenzhen, this amazing, cosmopolitan, cultural, modern, young city in China.

Since opening in 2018, MIS has already established high academic expectations, an excellent ethos and identity in Shenzhen, blending the very best of the east and west, with a real belief in the pastoral care and support of every student. We believe in two partnerships: the first between the staff and the students in and out of the classroom and secondly, the relationship between the school and the parents of each student at MIS.

So, what do we think is so special and unique about Merchiston International School, Shenzhen and how do we achieve this?

What our highly qualified members of staff are trying to do every day at MIS is concentrate on the development of the whole person; developing the mind of each student within the classroom through our first class international curriculum plus developing the character and personality of every student. We fulfil this part within the co-curricular activities outside the classroom everyday using our state-of-the-art school facilities and campus, in addition to our approach to boarding.

This wonderful way of life, every day, inside and outside the classroom, gives every student the chance to succeed and to feel a sense of belonging to the community. Essentially what we are trying to do is "that confidence thing"; we are trying to find those hidden nuggets of ability that we all have and develop them. What we want is for every student to get that sense of "Yes, I did that well" and I don't mind where a student is saying this as long as it is being said somewhere on the campus every day. Ultimately it is that "confidence thing" that will then set each young person up for life and help them discover their place in the world.

We are great believers in saying certain catch phrases to help guide the students on a daily basis. Sayings like, "Look after each other; strive to be the best version of yourself you can possibly be; try your hardest and make the most of your talents." But equally the students have to learn that they are not always going to come first and be the best. Thus, in that area, we believe in, developing resilience to keep trying, if at first, we don't succeed.

As a school, we also have a deep belief in the importance of notable values such as courtesy, honour, humility, integrity, respect, perseverance and kindness. These are real life skills; the school community always endeavours to echo these values for life.

We warmly welcome prospective families to explore our school either through the website, or by visiting our campus in Shenzhen.

Ready Ay Ready!

欢迎来到深圳曼彻斯通城堡学校。

我们将曼彻斯通这个教育品牌以及对国际教育的全部热情带到深圳——这座令人惊叹、国际化、现代化、充满活力的国际大都市。

自2018年正式开学至今，深圳曼校已经建立起了非常高的学术标准与极佳的校园文化，汲取东、西方教育的精华，真正关切每一位学生的发展与成长。作为教育者，我们相信有两个关系对于学校发展至关重要——师生在课堂内外的关系、家长和学校之间的关系。

那么深圳曼彻斯通城堡学校的特点是什么呢？我们是如何实现这些愿景呢？

曼校的精英教师以全人教育为己任，全身心投入教学育人工作，精心设计融合后的国际化课程，有助于启迪学生智慧，发掘学生潜能且有效地辅助学生的个性化发展。寄宿之外，曼校顶尖的教学设备和优质的校园环境亦为学生们提供丰富的课外活动。

健康、自律的生活方式在课堂内、外帮助学生建立起对曼校社区的归属感，提供成长与成功的空间和机会。本质上，我们希望培养学生的“自信”。我们努力发掘学生自身的潜能，并加以培养发展。我们真心地希望所有学生都能收获一种成就感，每天都能够肯定自己—例如：“是的，我做的很好”。我们认为曼校应当努力营造这种鼓励的氛围，我们相信这种自信的精神状态终将帮助每个学生为未来做好准备并找到自己在世界上的舞台。

我相信一些朗朗上口的至理名言，可以在启发学生方面发挥一定的作用，例如“照顾彼此，关爱他人”，“努力成为更好的自己”，“竭尽全力，发掘自身的光和热，发掘自身潜能”，同时学生也需要了解，力争第一不代表次次都能够成为第一。因此我经常教育我的学生，培养自身的“韧性”，勇于尝试和不断尝试方能铺就成功之路。

一所塑造品格的学校深知培养学生良好品格的重要性，礼待他人，谦逊温和，诚实守信，坚持不懈。这些关键词融入在学校的日常教育当中，致力于培养出品格优异的学子。

我们诚挚地欢迎所有对曼校感兴趣的家长通过浏览官网或预约前来访问深圳曼彻斯通城堡学校，我们期待与您会面。

## OUR HISTORY

### 我们的历史

Located in Edinburgh, the capital city of Scotland, Merchiston Castle School has a history of over almost 200 years and a rich academic heritage. Through the years a high proportion of its pupils have gone on to the UK's top universities such as Cambridge and Oxford and top universities around the world.

In May 1833, Charles Chalmers took a lease of Merchiston Castle, (the former home of John Napier of logarithm fame) - which at that time stood in rural surroundings - and opened his academy, starting with some 30 boys.

Like his famous brother, Dr Thomas Chalmers, mathematician, physicist and theologian, Charles was also a brilliant and original thinker in Mathematics and Science. It was therefore natural that he should include these subjects in the curriculum.

So, at a time when most other schools confined themselves to the study of the Classics, Merchiston was already taking a lead, preparing its pupils for the world in which they would live.

Merchiston grew, but so did the boundaries of the City of Edinburgh. The Governors decided to move the School to Colinton, so that its 210 students should once again enjoy the advantages of both town and country and the new School opened its doors there in 1930. Soon after, in 1933, Merchiston celebrated its centenary, an event graced by their Royal Highnesses, the Duke and Duchess of York. Fifty years on, at a time of further expansion and with 350 boys on the roll, their daughter, Her Majesty The Queen, in turn visited the School and honoured its 150<sup>th</sup> anniversary with her presence.

The School's motto 'Ready ay Ready' features in the chorus of the School song (last revised in the 1950s but much older in origin). This refrain is still sung enthusiastically by the School on frequent occasions.

Due to the efforts of CEO Mr Jianjun Lyu, as well as Merchiston Castle School's Governors and the Headmaster Mr Jonathan Anderson, Merchiston International School opens its doors to students from all around the world and expand Merchiston's fine traditions and high standards in China.

**Merchiston is proud of its past and looks forward to the future with confidence.**

曼彻斯通城堡学校位于苏格兰首都爱丁堡市郊, 拥有188年悠久历史和深厚的学术传承。长期以来每年均有众多毕业生考入剑桥、牛津等世界一流大学。

1833年5月, 苏格兰学者查尔斯·查尔默斯(Charles • Chalmers)租用数学家、对数的发明者约翰·奈皮尔(John Napier)的故居曼彻斯通城堡, 创办了该所学校。

首任校长查尔斯是一位在数学及科学领域颇有建树的学者, 在19世纪初, 当英国大部分私立学校还在学习传统古典教材时, 他便开创性的将数学与自然科学纳入曼彻斯通的教学体系, 并因此而引领了潮流。学生也在其带领下, 先人一步为进入新的时代做好了准备。

伴随学校和城市的发展, 1930年曼彻斯通城堡学校迁至科林顿校址并延续至今。1933年, 时任约克公爵的英国国王乔治六世和夫人出席了曼彻斯通城堡学校100周年校庆。1983年, 英国女王伊丽莎白二世出席了曼彻斯通城堡学校150周年校庆。

学校校训“Ready Ay Ready”, 于1950年被谱写在校歌中, 至今仍在校园中传唱。

在董事局主席吕建军先生, 及曼彻斯通城堡学校董事会、现任校长Jonathan Anderson先生的共同推动下, 深圳曼彻斯通城堡学校迎接来自世界各地的学子, 将曼彻斯通188年的传奇与荣耀在中国续写。

曼彻斯通为其历史感到骄傲, 更对未来感到信心十足。

VISION

To inspire academic excellence and strength of character. We instill integrity and courage in our young people so that they will become authentic, ethical, global citizens and the best possible version of themselves.

MISSION

We blend 'the best that has been thought and said' with the knowledge necessary for success in the 21st Century. The only British boarding school in Shenzhen, and the only overseas campus of Merchiston Castle School in Edinburgh, we draw on close to 200-years of academic excellence, but we are driven by timeless values.

MIS students learn to understand and to value human achievement in the arts, science, and in public life. We seek to ignite the curiosity common to life-long learners. We teach students to value evidence, never to settle on an easy answer but to search rigorously for truth. Such training does not merely yield strong examination results; it produces the unmistakable authenticity of leaders.

Belonging is fundamental to the development of character. Our unique pastoral and boarding provision develops individuals by emphasising kindness and ethical decision making as duties for all.

Beyond the classroom, our co-curricular programme develops courage alongside skills. The courageous risk making a vigorous tackle in sport, they dare to appear before an audience, or to submit a picture for public exhibition. Through calculated risk, the courageous learn where their strengths and weaknesses lie and, thus, the ground beneath their feet is firm. This is true confidence.

By these means, MIS students are prepared for the tests of life, rather than a life of tests.

VALUES

Our MIS values are central to achieving our mission and vision. As a moral compass, they guide us from day to day in our learning, thinking and decision making. The impact of our MIS values is evident in the daily life of the school.

Our values ensure that your child is:

- **Adaptable** and **resilient**, gaining the confidence and leadership skills to succeed in a dynamic and global world, constantly striving for the highest standards.
- **Enquiring** and **collaborative**, becoming an enthusiastic and curious learner committed to excellence in all that they do, in order to flourish as an individual and contribute meaningfully to a flourishing society.
- **Principled** and **respectful**, developing compassion and humility, assertiveness and integrity.
- **Responsible** and **internationally minded**, understanding and respecting the needs of others to develop tolerance, within and beyond our community.
- **Expressive** and **positive**, balancing modesty with confidence in pursuit of happiness and fulfilment.

“Ready Ay Ready” —— Motto of Merchiston International School

# Edinburgh

Scotland's capital city is home to Edinburgh Castle which looms over the city centre. Scotland's crown jewels and the Stone of Destiny.

Loch Lomond stretches over 70km and is the largest freshwater lake in Great Britain. Its beautiful countryside surroundings are home to many red deer and other wildlife.

洛蒙德湖(Loch Lomond)全长70km,为大不列颠中最大的内陆淡水湖。该湖泊坐落在特罗萨克斯国家公园,一个满是赤鹿和橡树林的美丽公园。

The idea of the clan and a sense of belonging is central not only to the school but to human nature. As a school, we want students to develop key skills and to enhance their sense of community and teamwork by becoming actively involved in clan events. Our four clans, Balmoral, Edinburgh, Lomond, and Nevis, encompass this idea of a society and a sense of belonging. We aim to build on the rich history already established through the clan system here at MIS. One look at the Clan leader boards, hanging proudly on the main floor of the main school building, demonstrates the quality of individuals that we have had leading the individual clans throughout the young life of MIS.

“部落”信念和归属感不仅是学校文化建设工作中的重要组成部分,也是学生心理健康发展的必备条件。作为一所学校,我们希望学生能够积极参与部落活动,从而提高各项核心技能,增强集体荣誉感和团队合作精神。曼校四大部落分别名为爱丁堡、洛蒙德、尼维斯、巴尔莫勒尔,从部落命名到活动组织都贯彻了培养学生团结友爱心和集体荣誉感的理念。深圳曼校希望用部落制度接住爱丁堡母校传下的百年精神衣钵。每当大家走过主教学楼的一楼,就能看到骄傲矗立在墙上的部落公告板,那上面公布了各大部落领袖的名单,展示了部落成员应具备的美好品质。

# Nevis

Ben Nevis is the highest mountain in Great Britain. Standing at 1,345 metres above sea level, it is a part of the Grampian Mountains in the Scottish Highlands.

本尼维斯山(Ben Nevis)是不列颠群岛中最高的山脉 – 海平面之上1345米高。其属于苏格兰高地上格兰扁山脉的一部分,临近威廉堡。

# Balmoral

Balmoral Castle has been one of the residences of the British Royal Family since 1852. Located in Royal Deeside, Aberdeenshire, Scotland, it is owned by Queen Elizabeth II. The castle is an example of Scottish baronial architecture, and is classified by Historic Environment Scotland as a category A listed building.

自1852年起,巴尔莫勒尔城堡就是英国皇家居住地之一。它位于英国苏格兰阿伯丁郡皇家迪赛德,现在隶属于伊丽莎白女王。这座城堡尽显苏格兰贵族式建筑风格,被苏格兰历史环境局列为A级保护建筑。

The clan system is at the heart of how the school runs, with academic merits, musical achievements, and sporting prowess all combining to determine which clan wins the Clan Cup at the end of the academic year. We encourage all students to get involved, as each different clan event tests a diverse range of skills and all help to develop the holistic nature of the child. In this manner, we can ensure that all students at MIS experience an elite education and we hope that throughout their time at school, every student feels safe and happy within their respective clan. These are led by the student Clan Captains, a prestigious role and one that brings with it leadership opportunities at every turn.

部落制度是维持学校运转良好的关键。全校上下无论在学业、音乐还是体育方面,都以部落为单位展开友好竞争,各维度的综合实力决定了每学年结束时,哪个部落能够获得冠军奖杯。各项部落活动的目标侧重点不同,旨在锻炼学生各方面的技能、提高学生的综合素质,因此我们鼓励每一位同学踊跃参与部落活动,为自己所在的部落出一份力。只要加入部落,学生就能体验到曼校精英教育的精髓。部落制度能让每一位曼校学子都被浓浓的安全感和幸福感包围。每个部落均选出一名学生部落首领,这一角色肩负重任和荣誉,每一次的部落活动都是对其领导能力的考验和提升。

### Principled Practices

#### 行为习惯规范

We attach great importance to the norms of students' behaviour. While providing family-feel pastoral care for children, we have invited veterans to join the boarding staff team to help review and standardise boarders' behaviour on a daily basis, so as to help students improve their time-management, self-esteem, self-discipline and sense of responsibility.

我们十分重视学生个人行为习惯的规范。在为学生打造家庭式德育关怀的同时，学校有退伍军人加入寄宿管理团队，日常协助寄宿老师审视、规范学生的行为，以帮助他们在寄宿生活中提升自我管理能力，建立自强、自律以及担当的能力。

### Service and Community

#### 利他价值观培养

Through our charitable programme, Outreach, young people at MIS learn the values and reward of service to others. This generosity of spirit is at the heart of our ambition: to produce students of outstanding character who find understanding and fulfilment in putting the needs of others before their own.

在规范个人行为习惯的同时，我们也倡导学生关注他人，加入学校的公益组织 Outreach，积极参与到社区服务中，积极践行学校价值观，为社区、社会和世界贡献个人力量，成长为一名真正的世界公民。

## TEACHING TEAM

## OUR CURRICULUM

### 我们的课程

Merchiston International School educates children from ages 4 to 18. The primary teaching language is English, with all students from Years 1-9 additionally accessing Mandarin language learning as part of the core curriculum.

To give our students the best preparation for the future, our curriculum is a combination of tried and tested learning methods with new ways to engage students. We describe it as a blend of eastern academic rigour with a wide reaching western education.

MIS Juniors embraces a holistic approach to learning which aims to develop well rounded and independent learners. Technology is integrated into all areas of learning. All Juniors classes use classroom iPads, as well as enjoying access to other forms of technology through which the curriculum is enhanced and extended, preparing children for a modern world.

MIS Juniors uses the English National Curriculum to underpin all of its teaching and learning in English and Mathematics for both Key Stage One and Key Stage Two. Other important subjects include PSHE, History, Science, Geography, Art, Design and Technology. MIS uses the International Primary Curriculum (IPC) as a basis for planning for these learning areas.

Seniors students from Year 7 to Year 9 follow the MIS Key Stage Three curriculum which is based on the English National Curriculum enhanced to meet the needs of our international student body.

In Year 10 the students begin their IGCSE (International General Certificate of Secondary Education) studies. This is a rigorous two-year course of study that requires students to take a broad range of subjects covering Mathematics and Sciences, English and foreign languages, the Arts and Humanities. It culminates in examinations at the end of Year 11 and prepares students well for the two-year A-level courses starting in Year 12.

Through all year groups, we approach language learning with a creative yet rigorous attitude which recognises that native language literacy and fluency are essential in an environment with a diverse range of nationalities and cultures.

## STUDENT SUCCESS CENTRE

学习支持中心

The Student Success Center (SSC) was established in MIS to provide high-quality, professional, and individualised or small group based learning and assessment opportunities for students that are usually not available in regular classroom settings. Our goal is to help student overcome barriers, make up for gaps, extend their learning in specific areas, and then boost their opportunities for college admission and career success.

One example is the Pathway Programme for students who are admitted under a conditional offer. Within a term's time, the Pathway Programme will enable the students to catch up with their classmates so that they will become fully admitted members of the school.

We also provide support to students who have learning difficulties so that they will feel confident to participate in most of our school activities for his or her year level.

Our international examinations preparation series aims to provide the best tutoring help in English, Maths, Further Maths, Sciences, Economics and business studies to so that our students can achieve high scores in IGCSE or A-level examinations.

We have established strategic cooperations with education service providers such as ASDAN, TenCent, Lego Education, DJI and PriceWaterhouseCoopers, so that we can enter students for many prestigious competitions (AMC, Euclid, Physics Bowl, etc), offer academic CCAs such as EPQ, PBL, BP Debate, Computer Programming or Business Simulations, and invite students to participate in extended activities such as academic lectures or experience days with the help of these companies.

### Merchiston Day 曼校校庆日

MCS has celebrated many birthdays over the years. MIS celebrates its 4th Birthday with our annual Merchiston Day and looks forward to many, many years to come.

爱丁堡曼校在历史长河中度过了一百多个生日,朝气蓬勃的深圳曼校则刚刚庆祝了自己第四个生日。我们期待在深圳共同经历更多的校庆日。

### Merchiston Badge 曼校校徽

MCS and MIS display “The Merchiston Coat of Arms”. This distinguished badge can be seen around the campus: on the outside of buildings, on all our school signs and used in all our marketing. MCS & MIS uniforms all feature the badge with ‘Ready Ay Ready’.

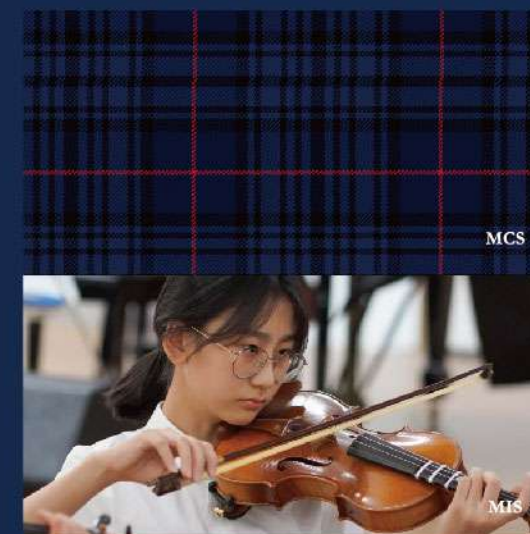

两所曼校使用了同样的校徽。该纹章图案在校内随处可见,你可以在教学楼墙上、学校标识牌上和校内各种宣传物料上看到校徽的身影。

### Ready Ay Ready 校训:为未来而来

MIS inherits MCS's famous school motto ‘Ready Ay Ready’, meaning always be prepared! Sharing the school song also titled ‘Ready Ay Ready’ is sang regularly by both schools in assemblies and school events such as Merchiston Day! Our MIS Juniors has their own version which is sang in the Juniors assemblies.

爱丁堡曼校和深圳曼校都沿用了相同的校训“Ready Ay Ready”,意思是“为未来而来”。两个校区都会在集会和校庆日等庆祝活动上颂唱同一首校歌“Ready ay Ready”!深圳曼校的小学部也会在小学荣誉集会上齐声合唱曼校专属的歌谣。

### Merchiston Tartan 曼校格纹图腾

MCS in Edinburgh has its very own tartan, designed and woven by the famous Kinloch Anderson in 1980. The tartan was designed by incorporating the school colours of blue and red. The family owners of Kinloch Anderson's son and grandsons studied at MCS. MIS students wear this unique tartan with pride.

爱丁堡曼校有专属的格子呢纹,由著名设计师Kinloch Anderson于1980年根据学校的红蓝底色定制并设计出稿。Kinloch Anderson的儿子和孙子均是爱丁堡曼校的校友。深圳曼校的校服中,女生的格纹裙和男生的领带就是用这种曼校独有的格子呢纹样式。

## BENEFITS OF BOARDING

### 为什么实行寄宿制

MIS is a boarding school that accepts students ages 4-18, with boarding from Year 3 onwards. Some of the Juniors (Years 3 to 6) may instead choose to attend the day school, supported by our school buses. Seniors (Years 7 to 13) are attached to Houses within our boarding system.

The boarding system aims to strengthen teacher-student relations, as well as relations between students who are encouraged to look after each other. Our boarding system provides students with space helping them to concentrate on their studies. Based on two centuries of practice developed by Merchiston Castle School (Edinburgh), we believe that our boarding system has the following advantages:

深圳曼彻斯特城堡学校招收4-18岁的学生。3年级开始学生可体验寄宿生活，小学阶段（3至6年级）亦可选择走读，学校配备校车接送走读学生；中学阶段（7至13年级）实行全寄宿制。寄宿制教育旨在建立相互扶持、共同成长的同学关系和师生关系，为学生提供更加专注的学习空间。经过曼彻斯特近两个世纪的教学实践，我们认为寄宿的优势在于：

#### • PROVIDING A FOCUSED ATMOSPHERE FOR STUDY

Teachers in our boarding school give children the help they need on time management, reducing interference from off campus and letting the children stay focused on their studies to achieve the best results.

#### • DEVELOPING INDEPENDENCE AND TAKE CARE OF ONESELF

Starting from the first day they attend the school, our boarding school lets the children learn to take care of themselves and to be independent. This lays the basis for independent living and study in the future and encourages the children to develop independence, self-confidence, and self-improvement.

#### • LEARNING TO UNDERSTAND, CARE FOR, AND HELP EACH OTHER

The boarding environment makes our campus not only a study space but also a community of close relations, where the children can learn to relate to, care for, and work with each other and become caring and responsible young adults.

#### • ESTABLISHING STRONG TIES WITH TEACHERS AND OTHER STUDENTS

Our boarding system at MIS is managed by houseparent Heads of Houses who will oversee the students' study and living. Strong ties are formed between students and teachers, and the children form close relationships on campus. These friendships will stay with the students throughout their lives.

#### • 专心专注的学习氛围

寄宿制学习可以在老师的帮助下让孩子更合理分配时间，减少外界的各种干扰，让孩子更容易进入专注状态，达到最好的学习效果。

#### • 培养独立性与自理能力

小学或中学期间的寄宿，让孩子更早懂得自理与自立，为将来的独立学习与良好的行为习惯、生活习惯养成打下基础，更有助于孩子形成独立自信自强的优良品格。

#### • 学会理解、关怀、互助

寄宿环境让校园不仅是学习空间、艺术空间，更是一个紧密联系的社区，孩子们在其中学会团结互助，共同进退，成长为富有爱心和责任心的年轻人。

#### • 与同学教师建立紧密关系

曼彻斯特特有的家庭式寄宿管理，将带给孩子学习、生活、身心成长全方位的关怀与照护，形成更紧密的师生关系；在这里形成的深厚同学友谊也将陪伴孩子的一生。

## 前往爱丁堡探寻百年名校

A further advantage of studying at MIS, is that our students have the opportunity of travelling to the UK and studying at Merchiston Castle School or St Geroge's in Edinburgh. Every year MIS offers, to the top students, places to study at Merchiston Castle School, Edinburgh or one of its Scottish sister schools. Students will receive the best education from top-ranked independent schools, experience Scottish culture, develop their international perspectives and preparing them for future study abroad.

Every summer MIS assists parents in applying to English language summer camps in Edinburgh to improve English language skills for both students and parents with, at the same time, the chance to explore Edinburgh and Scotland with a programme that will contain visits to world-famous universities in Scotland and England and provide an insight into Scottish and British history and culture. Included in the camps will be the opportunity to visit the world renowned University of Edinburgh and The Roslin Institute (where Dolly the sheep was cloned), Heriot-Watt University (named after the inventor of the steam engine), the Elephant House Café (where J.K. Rowling wrote her Harry Potter books), Edinburgh Castle, the National Museum of Scotland, the National Art Galleries of Scotland and UNESCO World Heritage Sites in the New and Old Town districts of Edinburgh and of course the iconic Forth Rail Bridge.

深圳曼彻斯通城堡学校带给学生的有利条件之一，还包括前往位于英国爱丁堡的曼彻斯通城堡学校进行交换学习，或享受冬/夏令营的机会。

深圳曼彻斯通城堡学校将在每年暑假期间，组织学生前往爱丁堡参与夏令营，让学生和家长一起，亲身体验爱丁堡曼彻斯通城堡学校的教育氛围，同时探访英伦名校。其他丰富的活动安排还将包括探访爱丁堡大学克隆羊中心、瓦特大学蒸汽机发明中心、哈利波特咖啡馆和爱丁堡城堡、苏格兰国际艺术馆、爱丁堡新旧城区的联合国教科文组织世界遗产，以及福斯铁路大桥等名胜。
