

WELCOME WORD

Maya Maysuradze

Principal of Evgeny Primakov Gymnasium

On September 1st, 2017 our school opened its doors for the first time. This educational institution consists of a preschool with an enrollment capacity of 225 (ages 3-6) and Primary, Middle and High School departments which serve 550 students (ages 6-16).

Our mission is to educate leaders.

Our goal is to provide **high-quality bilingual** (Russian-English) education for today's world by engaging the best teaching staff of the highest standard across all age groups and subjects and by bringing together the best of both traditional and innovative teaching methods to help students reach their full potential.

The High school will operate in partnership with **leading Russian universities**.

The school charges tuition fees. Admission to the school is on a competitive basis.

Applications for interviews and testing has already started.
