With weekly bespoke CPD raising my practice and confidence over the last year, and the encouragement and support of Trinity MAT's Senior Leadership Group, I applied for a Lead Teacher role. I've learnt a lot here and look forward to continuing to develop under the guidance of inspiring leaders.

Lead Teacher

Whilst hunting down a new teacher post, I visited three schools within the MAT: I loved their ethos, vision and community feel so much that I applied for all three! All the new teachers here receive tailored weekly training along with the same CPD opportunities as experienced staff members. By the end of my first term I'd already been on a weekend away to London at the researchED conference!

Teacher

A warm welcome from Michael Gosling, Chief Executive Officer

Thank you for your interest in being part of the flourishing Trinity Multi-Academy Trust.

When Trinity Academy Halifax opened in Calderdale in 2010 as a sponsored academy, its mission was to address more than a decade of underperformance at secondary school level in the north Halifax area. It has delivered, being rated as 'outstanding' twice and continues to support students to achieve results which will transform their life chances.

In 2015, due to the outstanding success of the flagship school, the Trust was established and now covers primary to post-16 education with organisations ranging in size from 180 to 1800 students. The ethos of the Trust is simple – to ensure that young people in our care fulfil their potential. Everything we do is in pursuit of that one aim. Our foundations are secure, formed by our commitment to inclusive education, extremely high standards for all and never accepting that 'we can't'. Indeed, we strongly believe that we can, whatever the challenge might be.

I passionately believe that the reason for our success is the people who work for us, both teaching and support, and we invest heavily in them because they make the difference. If you want to be one of those people – one who seeks educational excellence, expects the highest of standards and would like to contribute to the ongoing success of an outstanding organisation, welcome to the Trinity Multi-Academy Trust!

Our roots and growth

Trinity Academy Halifax opened in the hills of north Calderdale in 2010. Its mission was to revolutionise the quality of secondary teaching and learning in the area after a decade of underperformance and exclusion. A universal commitment to excellence from the very start has seen this Church of England academy transform behaviour and results and achieve two Ofsted outstanding grades. It has also established the Trinity Institute of Education, leads the West Yorkshire Maths Hub and is the home of White Rose Maths, whose schemes and professional development are used extensively nationwide and beyond.

Trinity Multi-Academy Trust (MAT) was formed in 2015. A Church of England Trust, we welcome schools of all faiths and none. We believe that every child can succeed, and having proved what works in our flagship academy, we focus on transforming struggling schools into places where children love learning and teachers teach with passion. We control our growth with care so that every new member school receives the maximum benefits. Today the MAT embraces one sixth form, six secondary and three primary academies. Although every Trinity MAT academy is united by common values and a commitment to teaching and learning excellence, each one is also a unique part of its local community, with its own distinct character.

Why work at Trinity MAT?

Whether you're an established teacher or leader, or an Early Career Teacher, working for a MAT offers you greater opportunities to network, share good practice and progress.

At Trinity MAT, our amazing package of valuable benefits is unique: we offer our staff an exceptional and fulfilling career with all the support, resources and development you could wish for.

Walk in and teach!

As teaching and learning are our priorities, we invest heavily in superb CPD at every stage of your career to develop and share your skills and experience and to reduce your workload. What's more, our robust **Behaviour for Learning Policy** operates effectively across the Trust with excellent results. These two foundations of high quality CPD and behaviour management are pivotal in creating calm, orderly and effective learning environments across our academies, so you can literally walk into your class and start teaching.

A connected, collaborative family

As a team member at Trinity MAT, you're part of a close community which makes the most of every opportunity to share good practice, new ideas and innovations at any level and any phase. Whatever the challenge you face, you're never alone: there's always someone in the MAT who can help or advise. We also hold MAT-wide events which are wonderful opportunities to network and learn with your professional family!

Superbly resourced

All our classrooms have the latest technology and wherever resources are needed, they are supplied. Every one of our academies is a light, bright and pleasant working environment.

First-class leadership

Led by National Leader in Education, Michael Gosling, the MAT places great value in developing leadership excellence throughout every academy.

Creative extra-curricular programmes

Our learners benefit, not only from attractive enrichment options, but also from a great range of visits, full-day university experiences, events and residential trips in the UK and beyond.

World-class initiatives and opportunities

As well as the many CPD programmes across the MAT, you can progress your skills, knowledge, networks and career via additional Trinity MAT initiatives such as the Trinity Institute of Education, White Rose Maths, the West Yorkshire Maths Hub (which we lead) and attendance at conferences and research education events.

In just a few years I've been given the CPD and multi-school experience I needed to progress from a teacher role to Head of English and I'm now a senior leader. My MAT colleagues have also supported, challenged and pushed me to be the best leader I can be.

Departmental Head

The experience of being a working member of the Trinity MAT community comprises many unique and special elements. For us, the three elements below are fundamental in creating an environment in which both staff and students can excel and be happy.

Professional development

Trinity MAT invests heavily every year in ensuring that teaching and learning is of the highest quality. Six NLEs and a superb team of leaders, Lead Teachers and Assistant Lead Teachers support curriculum-wide, 'quality first' teaching for all staff. Every teacher can access our core CPD provision which runs weekly and there are many CPD and cross-Trust opportunities to enrich your experience and develop your career at every level.

Our Early Career Teachers are well supported by our carefully designed induction programme which runs in conjunction with Trinity Institute of Education. The programme exceeds all the statutory learning and support requirements for your vital first teaching year. As well as having a mentor, scheduled CPD sessions and external training events, you'll also have weekly sessions with all MAT Early Career Teachers and Lead Teacher support.

Behaviour for Learning

We expect exemplary behaviour throughout Trinity MAT, and our Behaviour for Learning (BfL) policy, which runs consistently across all our academies, is fundamental in realising this ambition. The policy ensures that low-level disruption is managed quickly and effectively, allowing teachers to deliver high quality lessons to calm, engaged and motivated students.

Strong relationships between staff and students help to create great working environments Trust-wide. However, when a problem arises, our team of non-teaching pastoral specialists supports teachers in dealing with, following up and resolving behavioural issues. A dedicated attendance team also helps keep student absence rates low and promotes better learning.

Well-being

In 2022, our Trust developed the Trinity Employee Well-being Charter. This document evidences our commitment to the well-being of all and provides examples of how being part of Trinity MAT not only improves your skills and experiences as a professional but will also boost your well-being. We ensure that all our staff can enjoy excellent, well-resourced working environments, great support and development, access to professional help where needed and a healthy worklife balance. While our people are dedicated, hardworking professionals, we actively reduce workload wherever possible. We have a free, independent and confidential counselling service which staff can access. Although we expect much of our staff, we also celebrate and value their work. This, together with well-behaved, motivated students and bright, positive facilities, fills Trinity MAT with great, feel-good workplaces!

Trinity Institute of Education

Excellent course delivered by an excellent practitioner who is clearly passionate about helping other educators.

CPD Delegate

**Trinity Institute
of Education**

**NATIONAL
INSTITUTE
of Teaching**

Trinity Institute of Education (TIE) is one of three external initiatives within Trinity MAT. Our purpose is to provide outstanding delivery on all elements of the DfE Golden Thread including Initial Teacher Training (ITT), Early Career Framework (ECF) and National Professional Qualifications (NPQs). This is for all colleagues within our Trust as well as our wider partnerships across West and South Yorkshire.

We are immensely proud to have been named an Associate College of the brand new DfE flagship provider The National Institute of Teaching (NlOT). We will be partnering with the NlOT to continue to offer our outstanding ITT provision. Typically we train around 50 new teachers across both primary and secondary phases. We feel we stand out from other providers due to the immediate 'hands on' experience we are able to offer trainees in outstanding settings across our partnership. We will also be offering the full suite of both specialist and leadership NPQs through the NlOT.

Our strategic partnership continues to grow with the Calderdale and Kirklees Teaching School Hub where we take direct responsibility for coordinating the ECF across both geographical areas. Alongside this we also offer our own bespoke CPLD programmes which are all completed at our training hub.

TIE also coordinates a number of school improvement projects every year where we offer specialist support from our extensive list of System Leaders. Much of this work is self-commissioned by schools or Trusts but we also complete projects for the DfE within Local Opportunity Areas.

We would welcome contact from any prospective colleagues who may be interested in enrolling, contributing to or helping to run any of our programmes.

At Trinity Institute of Education, it's not just about goals and deadlines, it's about looking after you and your well-being. They're empathetic to how overwhelming it can be, supportive and inspiring in a non-pressured, demanding way. You get the sense they want you to achieve, it's not just about results it's about the journey.

Trinity Academy Halifax

The MAT's flagship school – graded outstanding by Ofsted

- Strong positive Progress 8 scores across English and Maths
- Progress 8 in English: +0.32
- High performing EBACC pass rates

halifax.trinitymat.org

Trinity Academy Halifax holds an astonishing passion for its students. It gives me the pleasure of excellent resources and CPD support to bring out the best in my students and watch as their love of the subject develops.

Art Teacher

Trinity Academy Halifax (TAH) is the founding school in the Trinity Multi-Academy Trust. It was formed in 2010 to provide a fresh new start to students in an area where secondary schools and learners had struggled and underperformed for more than a decade.

Since then, the academy has secured two Ofsted outstanding judgments and is:

- a National Support School;
- leading Trinity Institute of Education;
- a Maths Hub of Excellence (leading the West Yorkshire Maths Hub);
- accredited as a World Class School.

An inspiring place to work and learn, TAH moved into its fabulous new building in September 2012 and its world-class facilities look and feel just as attractive and vibrant today.

Even more importantly, excellence in teaching and learning is the academy's driving force, a commitment supported by:

1. effective implementation of its Behaviour for Learning Policy, allowing teachers to teach and learners to learn efficiently in a positive and collaborative environment
2. a unique and exciting CPD programme which encourages and develops inspirational teaching and support, and allows every team member to progress and thrive throughout their career.

TAH is a Church of England academy. Its core Christian values of Empathy, Honesty, Respect and Responsibility influence every part of academy life, from its proactive pastoral system to student behaviour and the celebration of success.

Trinity Academy Grammar

Trinity Academy Grammar (TAG) was Initially graded inadequate by Ofsted in 2016 and ranked in the lowest 15% of all UK schools. After just two years, the previously failing high school soon began to flourish as it stood proudly in the top 1% of the most improved schools in the country. In 2021, the academy's success continued as it was accredited as a World Class School.

We have invested significantly in the professional development of our staff, offering bespoke CPD programmes for teaching and support staff at all stages of their career. These include a new staff induction programme, which runs throughout the first term for any staff joining the academy, including 10 Minute Tip coaches for the duration of the programme.

TAG greatly values its Early Career Teachers (ECTs), who also receive regular mentor support as well as opportunities to engage in the latest education research. Every single one of our ECTs reported that they experienced good support and guidance during their programme, which had a direct positive impact on their practice.

The Teaching & Learning team lead weekly bespoke CPD, including weekly practice, for all teaching staff, Teaching Assistants, Learning Mentors and Curriculum Tutors, all of which is underpinned by the latest educational research.

In addition to this, curriculum and subject-focused CPD is led weekly within the timetable by Curriculum Leaders. All leaders, curricular and pastoral, receive additional weekly leadership development by line managers and through regular group CPD sessions led by the SLT. This is all designed to attract and retain the very best people who will, in turn, create the best outcomes for our students, in order that they leave us feeling Known, Valued and Understood.

- Very strong Progress 8 in English: +0.6
- Strongest school in Calderdale for English progress

100% of new staff agreed that their induction was informative, provided key information needed and that there was good support from their mentor and other colleagues.

Staff survey

Trinity Academy Cathedral

- Progress 8 score: +0.61
- Progress 8 scores above +0.6 since joining Trinity MAT

The CPD opportunities for me as an ECT are fantastic and include relevant, bespoke sessions taught by experts. For example, it's been really effective for developing my marking as well as talk and questioning in lessons. The Trinity MAT ECT event is also a great way to network and pick up new ideas: it's just another way in which the MAT supports ECTs.

Teacher

In July, Trinity Academy Cathedral (TAC) became the latest Trust academy to be awarded outstanding by Ofsted.

The academy joined the Trust in 2016 and soon showed a dramatic improvement by becoming 'The Secondary School of the Year' in the country by TES in 2019. The Principal and staff again set an ambition to be outstanding consistently improving academically and pastorally. After five years of hard work by staff and students, being awarded outstanding in all areas by Ofsted is testament to setting high standards, a compelling curriculum and full pastoral programme to prepare students for the future.

Our academy is now a place of high expectations and excellent progress that places us comfortably in the top 5% of UK secondary schools. Behaviour is excellent and achievement is high. Guided by the MAT's core values and our own strong Christian ethos, we work hard to ensure our students become happy, fulfilled and well-rounded people. Innovative initiatives such as Masters of Recall and CAPA Juniors (Performing Arts pathway) help maximise opportunities for every child.

Trinity Academy St Edward's

Trinity Academy St Edward's (TASE) opened its doors to a founding cohort of Year 7 students in September 2021 and has now welcomed a second cohort in 2022. The academy currently has a cohort of 360 students, already proving to be a popular choice in the Barnsley area. The Trust has an excellent track record in transforming student outcomes and creating aspiration within its school communities and TASE is no exception.

Standards are high. Students benefit from an ambitious and inspirational curriculum underpinned by a strong focus on the STEM subjects of Science, Technology and Maths. They also experience some exciting sessions in Engineering delivered alongside partner organisations.

Underpinning the whole curriculum is an emphasis on essential Literacy skills. Further to this, all students have access to an extensive, tailored extra-curricular programme.

A state-of-the-art new building is on the way...

A brand-new building is due to be built for the 2024 academic year and will help meet critical shortfall in school places in Barnsley. The new purpose-built building will be designed to the highest specification using the latest technology to provide the very best of educational facilities. Until then students will be taught in our temporary Eastgate site in Barnsley that has been equipped with high-quality learning facilities, including science labs and art rooms.

As the building work progresses, the staff and founding cohorts will see the academy develop before them. Students will even get involved in exciting projects linked to the school's STEM specialism to help design the final layout and look of their new school.

ACADEMIC EXCELLENCE,
AMAZING EXPERIENCE

I am delighted and bursting with pride to be the Principal of Trinity Academy St Edward's. We offer our local community a broad and balanced curriculum that will set the highest aspirations and deliver outstanding outcomes for all our children. We at Trinity Academy St Edward's are at the start of our exciting journey, working together to shape the futures of our students, ensuring all our children leave with life-changing qualifications and lifelong memories.
