

Welcome to Oasis Academy Leesbrook, your new Secondary Academy in Oldham and part of the Oasis Community Learning family.

I am delighted to share with you our vision for our Academy and your child's education.

We are currently on our journey from being Oasis Academy Oldham: Middleton Road Campus to becoming Oasis Academy Leesbrook. We are well on our way to establishing our provision which provides a close family feel for students and allows your child to grow with our Academy. We will develop our students holistically, leaving them feeling ready for the wider world emotionally, socially, academically and with confidence and pride in their achievements. We will prepare our students to be leaders within the classroom and beyond. We will develop and nurture our students to be model citizens and role models within our community.

I have been part of the Oasis family for nearly a year now and I am so excited about becoming part of Oasis Academy Leesbrook.

We are one big family and enjoy a family dining, where we can sit down, eat together and catch up.

Here at Oasis Academy Leesbrook we will celebrate diversity and value the things that make us who we are.

Our curriculum will focus on engagement, strong academic standards and cultural enrichment, with students engaging in art, literature, music, STEM, Sport and Politics. Your child will receive the opportunities to experiences they deserve, including visits to theatres, music recitals, youth parliament and visits to Oxford or Cambridge Universities. Aspirations and academic excellence are at the heart of our Academy.

Join us on our unique journey as we welcome you into the Oasis family, locally and nationally. Oasis Academy Leesbrook; Inspiring Learners, creating Leaders.
