MISSION

OUR
CURRICULUM
INTENT

our curriculum is ambitious, inclusive and knowledge rich which will enable students to become well-rounded citizens who are prepared for life.

OUR
VISION

Equipping students to live life to the full in pursuit of what is good, right and true.

OUR
MISSION

to inspire all young people, preparing them for a full life, by ensuring there is a brilliant teacher in every classroom and living our values of being kind, respectful, resilient and ambitious.
