

Dear candidate,

It is my great pleasure to welcome you to our TES online recruitment portal and to thank you for your interest in joining our team of dedicated professionals.

As the school's recently appointed Head I can assure you that despite all the complications that we have faced this year due to the global pandemic, our school has continued to grow and develop. In our most recent online survey, over 90% of our parent community praised our team's ability to continue to offer meaningful online learning for their children. At Winpenny we are truly dedicated to being the best we can be and in offering you the opportunity to be the best you can be.

We welcome teachers with a creative and innovative mindset, teachers who want to offer new insights and ideas to help us constantly improve our educational model. We are members of both local and international teacher networks and believe in building alliances for the benefit of our students and their teachers. Winpenny is a friendly, caring school community, ready to welcome and support you in your personal and professional growth.

Our professional development programme offers teachers the chance to gain experience and training in the most forward thinking international curriculum programmes in the world. We are constantly seeking to keep our staff at the cutting edge of educational practice, whether presential or online. Just this past month, 17 members of staff successfully completed our internal Google training course attaining Google Educator certification.

If you decide to join us here at Winpenny you will be assured of the opportunity to either begin, or further develop, your international teaching profile in a caring and supportive environment. On top of that you will be living in one of the most culturally exciting cities in the world with a temperate climate that is agreeable all year round. Our competitive local salary offers you the opportunity to live well and also explore this amazing country. And to get you off to a good start we also provide staff with beginning and intermediate Spanish classes.

Aside from all of this, this is a particularly exciting time to join our community as we look forward to the opening of our new campus in the Riviera Maya in August 2022. Interested candidates can find out more about this project on our official website.

So without further ado, I wish you every success with your application and hopefully look forward to meeting you in person at our induction and orientation course for new staff.

My very best wishes,

David Jones

Headteacher
