Our staff are exemplary and make our family of schools unique. We truly believe we can only deliver an outstanding education by recruiting the right people. If you are excited by this proposition, please read on...

We understand what it takes to provide the best for our pupils. That is why we offer an inclusive "Family of Schools", with a range of single-gender and coeducational schools to suit our families' preferences. The Sherborne Qatar Family of Schools are British schools in a truly international setting with pupils from over 60 different nationalities

OUR
story
BEGAN IN
1550..

THE SHERBORNE QATAR JOURNEY

Sherborne Qatar, is the daughter school of the esteemed Sherborne School in the UK, founded by King Edward VI in 1550. Shirburnians have charted diverse paths, becoming global leaders, diplomats, artists, and more notably, Qatar's ruling family and the current Emir are part of our legacy. The Sherborne Qatar "Family of Schools" are currently the only overseas schools operated by Sherborne School, Dorset in the UK.

OUR HISTORICAL JOURNEY

The five schools currently consist of:

- a co-educational **Preparatory School, Al Rayyan** for pupils from Pre School to Year 6;
- a co-educational **Preparatory School, Bani Hajer** for pupils from Pre School to Year 6;
- a co-educational **Senior School** for pupils from Years 7 to Year 13;
- a **Girls' School** with a STEM (Science, Technology, Engineering & Maths) focus for pupils from Pre School to Year 12 and
- **Sherborne Qetaf** a specialist provision catering to children aged 3 to 11 with a range of Special Educational Needs and Disabilities (SEND).

OUR SCHOOLS ARE KNOWN FOR THEIR "HOLISTIC" APPROACH TO EDUCATION

- ACADEMIC EXCELLENCE
- OUTSTANDING PASTORAL CARE
- KNOWING OUR PUPILS AS INDIVIDUALS
- INCLUSIVE, FAMILY ORIENTATED AND FRIENDLY SCHOOLS
- OFFERING PUPILS A WEALTH OF OPPORTUNITIES OUTSIDE THE CLASSROOM
- SMALL CLASS SIZES
- EXPERIENCED, HIGHLY QUALIFIED CARING AND ENTHUSIASTIC BRITISH TRAINED TEACHERS
- MODERN AND SPACIOUS STATE-OF-THE-ART FACILITIES DESIGNED TO DELIVER 21ST CENTURY EDUCATION

OUR *Preparatory* SCHOOLS

Our family of British Prep Schools in Qatar, offers British trained, highly-qualified and motivated primary teachers and specialists the opportunity to teach at one of our 3 campuses

With campuses located in Al Rayyan, Bani Hajer and Al Ebb, we provide a nurturing environment where children aged **3 to 11** can flourish and thrive.

In our inclusive community, we celebrate diversity, providing parents with the option to choose between a single-gender girls only school or coeducational schools, allowing them to align their choice with their family environment, culture, and aspirations.

COEDUCATIONAL PREP SCHOOLS

📍 AL RAYYAN | 📍 BANI HAJER

At our Prep Schools, we believe in the immense power of education to unlock each child's unique potential. We guide your children towards a future of endless possibilities.

Our coeducational campuses in Al Rayyan and Bani Hajer provide a nurturing environment that prioritise values-based education and prepares pupils for a lifetime of learning.

Our curriculum seamlessly integrates moral values with learning dispositions, cultivating the mind, body, heart, and soul of each child. By helping to grow character and a sense of purpose your children will then be ready to make the very most of their learning and opportunities to thrive, giving them foundations that last a lifetime.

Our focus extends beyond academics to support their individual ambitions and provide a well-rounded education as well as providing outstanding pastoral care. From academic excellence to music, drama, sport, art, and enriching extra-curricular activities, we promote holistic development.

Our facilities include, a Makerspace, Science Lab, VR Room, ICT Suite, WOW Room, Video Editing Suite, a Recording/ Visual Room and Dance space, help your children discover their brilliance.

GIRLS ONLY PREP SCHOOL

📍 AL EBB

At the Sherborne Qatar School for Girls, we take pride in offering high-quality British education integrated with STEM principles in a nurturing, empowering, and single-gender environment.

As the only British curriculum Girls STEM school in Qatar, we go beyond traditional subjects. STEM education is integrated throughout our curriculum, emphasising inquiry, critical thinking, creativity, and project-based learning. We provide STEM activities, bespoke lessons, and extracurricular programs that foster 21st century skills.

As an all-through girls' school with an all-female staff, we nurture a purposefully small community, which allows us to know our pupils personally and focus on their individual needs and development. Our aim is to prepare our girls for internationally recognised qualifications and empower them as future leaders, thinkers, and innovators.

At our school, we embrace technology. We are a "Bring Your Own Device" school where our girls bring their own Microsoft devices to school creating a dynamic learning environment.

Aligned with the Qatar National Vision 2030 and Qatari culture, our school values promote National Identity and Islamic values.

SHERBORNE QETAF SPECIAL EDUCATIONAL NEEDS PROVISION

 BANI HAJER

At Sherborne Qatar, we believe in the power of inclusivity. We understand the importance of finding a school that truly supports and nurtures your child.

Our dedicated learning support provision is designed to meet the unique needs of every pupil, providing them with the individualised attention and care they deserve.

Sherborne Qetaf is a specialist provision located at our Prep School in Bani Hajer, catering to children aged 3 to 11 with a range of special educational needs and disabilities (SEND). Our inclusive community embraces children with autism, Down Syndrome, global development delay, intellectual disabilities, and speech and language difficulties, among others.

We are committed to providing a nurturing and supportive environment where every child can flourish and receive the individual attention they deserve. Our mission is to inspire our young learners to believe in their potential and empower them to succeed.

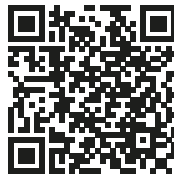

Through a curriculum for life, we ensure that all pupils fulfil their potential, regardless of their disability. Our curriculum emphasises the development of communication skills, independence, and self-help abilities.

From Year 7 to the Sixth Form, we provide a nurturing and inclusive environment, welcoming pupils from various backgrounds and celebrating their cultural diversity.

The Senior School follows the UK based curriculum in all three key stages taught in the school, using the National Curriculum for England as a guide for Key Stage 3 and the options for i/GCSE and AS/A Levels.

The modern school building is built to the highest of standards and is designed to deliver an outstanding, 21st century education, with small class sizes and age-appropriate facilities. The site boasts 74 classrooms; 12 science labs; ICT and robotics suites; specialist drama, art and music facilities; a 250-seat theatre; a large cafeteria; and, multiple sporting areas, including a 100m running track, two sports halls, a large multi-purpose pitch and a 25m swimming pool.

The site also has multiple, and very attractive, shaded outside recreational areas for pupils to enjoy at break times, along with separate safe areas for physical activities.

Another key area of the Senior School is the Sixth Form Centre that has been designed to help Year 12 and 13 Pupils prepare for top universities and enjoy independent learning. The Sixth Form Centre has a very large common room, a large private study area and six break-out study areas.

GIRLS ONLY SENIOR SCHOOL

📍 AL EBB

Our single gender STEM focused Girls' School is an all-through girls' school with an all female staff.

Our school is the only British curriculum Girls STEM school in Qatar. Our commitment to STEM education extends beyond individual subjects like Science, Technology, Engineering, and Mathematics. We combine knowledge, skills and understanding in four areas of Computing systems and networks, Creating Media, Data and Information and Programming preparing our girls to take on the challenges of 21st Century learning.

We have the facilities and resources to become a leading school in STEM for girls in Qatar. With 5 Science laboratories, 4 IT Rooms, a Maker Space (a dedicated STEM Room), a Virtual Reality Room (VR), large open plan Art rooms the girls are given every opportunity to develop their STEM education. By offering this enhancement in STEM, alongside all that is offered in a regular British Curriculum, we are providing new learning experiences and the opportunity for girls to find their talents, passions and interests.

A 25m swimming pool, a large sports hall, a dance studio, an astro sports pitch, roof top sports courts, indoor play areas, a drama room, two music rooms (with 6 smaller music practice rooms) and multipurpose halls offer your children the chance to develop sporting and creative talents alongside their academic studies.

Our school is kept purposefully small, with a maximum of 72 girls per year group, as we want to know our pupils and to be able to personally focus on their educational needs and individual development.

We develop our pupils to be confident and articulate adults who are ready for the challenges of the 21st century and are able to be leaders in their chosen professions.

THE SHERBORNE DIFFERENCE

THE BEST OF BRITISH EDUCATION

Across centuries, Sherborne has nurtured young minds, shaping generations of leaders, thinkers, and innovators.

INVESTING IN YOUR FUTURE SUCCESS

Our mission is to revolutionise education by offering innovative programs, fostering collaboration, and embracing cutting-edge teaching methodologies.

SMALL IN SIZE, BIG IN HEART

We foster a welcoming community, creating a cosy, family-like atmosphere that encourages everyone to know each other by name.

WHERE YOU MATTER MOST

Our dedicated teachers guide and mentor each child, building strong relationships and creating a caring and personalised environment, unlocking the unique potential within every pupil.
