

A welcome from the Master

I would like to take this opportunity to warmly welcome you to Huili School Nantong – the newest school in the Wellington College China group. We are seeking outstanding practitioners who are looking to take their skills abroad. A move overseas might seem daunting but, rest assured, you will have the backing of the Wellington College Group, and be working with like-minded teachers in an encouraging, supportive and professionally stimulating environment. My values are very much aligned to those of Wellington and Huili, and we have fostered a close-knit community with *kindness, courage, integrity, responsibility* and *respect* being at the very core of all that we do.

Huili School Nantong opened its doors in September 2022 for Early Years to Grade 7. We presently go up to Grade 10 and will be adding Grades 11 and 12 over the next two years. Being part of a growing school is a hugely rewarding experience with excellent opportunities for career development. Being there during the school's infancy means you can help shape the school, set the tone and be part of the school's history - an experience that not many teachers will have had. You will see from our website that the school is purpose built with state-of-the-art facilities and you could really not want for a better place to teach. As with all Wellington College China schools, you will have access to world class resources, facilities and professional development opportunities. China is a country of rapid change with its cutting-edge technology sector particularly burgeoning. In Nantong, a city of 7 million, you will be able to experience this 'new China' alongside the more traditional way of life; skyscrapers next door to tea shops that have been there for hundreds of years. The school is set in the leafy Suxitong Park, just south of the city and only 90 minutes from central Shanghai. It is a modern and attractive area with a growing number of amenities, making for a very appealing lifestyle.

Thank you for your interest in Huili School Nantong. I would encourage you to look through our candidate brochure and [website](#), join us at one of our recruitment events or email jobs.nantong@huilieducation.cn if you have any further questions.

With best wishes,

Simon Kenworthy
Master, Huili School Nantong
Wellington College China
