JOHN F KENNEDY
CATHOLIC SCHOOL
INSPIRE • ACHIEVE • SERVE

Teacher of Food and Textiles
Start date: September 2021
Salary: MPS/UPS plus London Fringe

Introduction

Thank you for your interest in this post at John F Kennedy Catholic School (JFK).

The Governors and I are seeking to appoint an enthusiastic teacher of Food and Textiles to join our Technology department, building upon the current high standards. The successful candidate will be an inspiring, dynamic teacher with a passion for learning and have the vision to develop further in this popular and successful department.

You will have a good track record of excellent classroom practice, be committed to high standards of learning and student progress, with the energy and vision to build on current department practices.

We welcome applications from candidates of all faiths and none, though support for our Catholic ethos is expected.

I hope that you find the following details useful and informative. They are intended to help you to decide whether or not JFK is the school in which you would be happy, be able to make a positive contribution and prepare yourself for the next stage of your career.

John F Kennedy Catholic School

JFK is a mixed 11-18 comprehensive school located in the suburban environment of Hemel Hempstead. It is a voluntary aided school with approximately 1100 students on roll. The school enjoys an excellent reputation and is always over-subscribed; for the 2021-22 intake of 180 places there are 537 applicants, with 168 putting JFK as first choice. The intake has, in recent years, been almost entirely Catholic - currently 93% of students. JFK serves the Catholic communities of Hemel Hempstead and a very wide surrounding area, including parts of Hertfordshire, Luton and Bedfordshire; in addition to seven main feeder primary schools, it regularly takes children from over twenty other schools. Unsurprisingly, its students come from a diverse socio-economic background, ranging from a very affluent commuter town to an area with high social deprivation. Overall, however, the school deprivation factor is just below the national average. Currently 14% of students are eligible for Free School Meals. The number of students from minority ethnic backgrounds has increased over the past ten years and is now above the national average. The prior attainment of students is significantly higher than the national average. Additionally the profile of current cohorts is generally skewed towards the 'middle' and 'high' prior attainment categories. The local parish church, St Mark's, is on the school site and the Parish Priest is a Foundation Governor.

For many years the school has enjoyed an excellent reputation, with successive pleasing Ofsted judgements. In March 2017 the school underwent its most recent inspection and was judged to be 'good'. This inspection was followed, a term later, by a Section 48 Inspection which judged the school to be 'good' in terms of classroom RE and the Catholic life of the school.

The school's Progress 8 score has been as follows:

2016: 0.1 2017: 0.09 2018: 0.26 2019: 0.05

Visitors to the school frequently comment on the ethos and atmosphere they sense as they come to the school for the first time. This friendliness and sense of community is part of something wider; it is rooted in the fact that we are a Catholic school. As such everything that we do is based on our Mission Statement, summarised by words: Inspire • Achieve • Serve. We are an

inclusive school that values the uniqueness of each member of our community. In this way we uphold the Gospel values and ensure that everyone has the opportunity to fulfil their potential.

Outside the formal curriculum there are numerous opportunities for students to take part in a very wide range of activities. These include drama, sport, music, retreats, trips at home and abroad and the Duke of Edinburgh Award Scheme.

The Technology Department

The Technology Department consists of two full-time and three part-time teachers. They are supported by two full-time technicians. The department is very well resourced. There are three workshops for Resistant Materials and Product Design, a Sixth Form teaching room, two IT equipped classrooms rooms with a total of 40 computers, one Textiles room and two Food Technology rooms. All the rooms are well equipped with CAD CAM hardware and software.

At Key Stage 3 all students have one period of Food and Textiles and one period of Product Design each week for the whole year. At Key Stage 4 we offer the following subjects: Design and Technology – Materials Technology, Textiles and Food Preparation and Nutrition (all AQA), all of which are popular options. At A Level we offer Product Design (AQA).

JFK and the future

I believe there are many features that make JFK a great school but I also recognise there are areas needing development. We must never be complacent and we must embrace new ideas that will benefit the educational opportunities of the students in our care. A current major initiative is the introduction of Google for Education, which is being phased in one year at a time and means that this year all students in Years 7-9 have their own Chromebooks and access learning via Google Apps.

Next steps

I hope that having read this letter and the information about the school that you will choose to apply. To do so, you are asked to complete the application form in full but instead of a supporting statement please write a letter of application which relates your experience to the job description and person specification. In your letter you should also outline your personal educational philosophy, your vision and the contribution that you can make to John F Kennedy Catholic School.

Please post your application or submit it to Ms Eva Final by email to: efinal@jfk.herts.sch.uk

Closing date for applications: 9.00am, Monday 25th January 2021
Interviews are scheduled for w/c 25th January 2021

Despite the current COVID-19 restrictions I am happy to accommodate a visit so that you can see the school for yourself and meet the Subject Leader, in a socially distanced manner. Alternatively, it would be possible to arrange an online meeting. If you would like more information about the school, please visit our website www.jfk.herts.sch.uk where you will find our online prospectus and other information. If you would like to know more about the post itself or to arrange a visit, please do not hesitate to contact my PA, Ms Eva Final (email: efinal@jfk.herts.sch.uk), who will be very happy to help you.

Yours faithfully,

Mr Paul Neves
