

Guidance for Applicants – Kindergarten and Elementary Class Teacher Openings

MIS is a private, dual-language Kindergarten-Elementary school situated in Chiba Prefecture (about 30 minutes by train from Tokyo). Our 'Article One' status means that we are subject to Ministry of Education regulations and that includes the hiring of staff. The requirements stipulated below read as rather particular, but we are very much bound by them and no matter a teacher's great experience or excellent credentials, he/she has to tick all the boxes.

The posts commence in **August 2020**. There are two openings. The assigned classes will be in Kindergarten K1-K3 (Nursery-Year 1 equivalent) and Grade 1-6 (Year 2-7 equivalent).

Things to bear in mind when applying:

- Teachers need to have QTS, or possess a valid teaching licence. The professional teaching qualification must be for the area applied for and issued by a government educational agency. For these vacancies the qualification must state 'qualified to teach Early Years/Kindergarten or Primary/Elementary, or ages 3-10 (K-6)'.
- If from the UK with a qualification stating, 'PGCE All Age Ranges', then a letter must be obtained from GTC confirming QTS relevant to the age-range – this can be done later.
- The regulations regarding qualifications cannot be waived and are necessary for us to obtain a temporary Japanese teaching licence which is necessary for all of our foreign staff.
- Teachers need to have, or be able to obtain, a university transcript showing courses attended and grades attained. This can be done later.
- Applicants must be native speakers of English.
- We are looking for candidates with a minimum of two years' experience as either a Kindergarten or Elementary/Primary classroom teacher, post-qualification.
- We are a dual language school. Dependants enrolled at school take Japanese lessons which are offered at native speaker level and 'support' level for those children whose Japanese is not at an age-appropriate level.
- Teachers' children - 50% of the standard school fees are covered by the school.
- Please include 'family status', along with your application – i.e. single / married / partner / children, plus DOBs. These things impact on spouse benefits, accommodation, visa status and class placements/spaces available for children (which are limited in some grades).

We will be selecting a shortlist of candidates for interview soon after the closing date for applications, although we may also contact candidates before the deadline. Interviews for those not located in Japan will be by Skype (Japan is currently GMT +9).

Details of the salary and benefits will be sent to shortlisted candidates. If you have not heard back from us before mid-February, please assume that your application was unsuccessful.

Thank you once again for your interest in MIS, and good luck with your application.
