About Olive AP Academy – Havering

Based in the London borough of Havering, our academy specialises in alternative provision and special educational needs, supporting up to 50 pupils for whom traditional teaching methods have not worked. Students join us following permanent exclusion from a mainstream school or due to medical needs, or social, emotional and mental health needs, that prevent them from attending a mainstream setting.

Our mission is to provide our pupils with creative, nurturing and inspiring opportunities which re-engage them in learning. By providing a safe and engaging environment, we endeavour to remove barriers and promote the opportunity for students to excel and reach their full potential. We provide a broad and ambitious curriculum, catered to the needs of each individual, delivering the knowledge and skills that our pupils need to succeed in education and beyond. The fundamental principles of our curriculum are:

- Giving students real-world experiences.
- Creating a pathway to post 16 education, employment or training.
- Delivering outstanding learning and teaching.
- Offering rigorous and high-quality critique and feedback of students' work.
- Developing dynamic leadership – including staff and student leadership.
- Maintaining a culture of respect.

Working in alternative provision can be challenging but with it comes great rewards. This is your chance to improve the education, and lives, of some of the most vulnerable children and young people in London.

If you have the experience and enthusiasm to make a lasting difference to the students we support, we would love to hear from you.

Thank you for your interest.

Tony Machin
Head of Academy

"Olive Academies is far removed from any mainstream setting. It allows for a **contemporary approach** to teaching and **supporting the individual** and diverse needs of young people. "

"I like the fact that **leaders are open-minded** and always **happy to listen.**"

"Working at Olive Academies is such a **rewarding opportunity**, supporting students with complex needs and **making a difference** in their lives where lots of people have given up on them."

"This is such a **special and unique** place to work."

"I love the **flexibility** that comes with working here. You can **tailor the curriculum** to suit the needs of each student. The young people we support experience many obstacles in their life and it is such a good feeling seeing students overcome these to **succeed in their learning.**"
