## Job Opportunity

Position / Job Specification: Teacher of Design and Technology (for 2021/22 academic year or sooner)

Posting Date: 15 March 2021

Closing Date: Interested candidates are suggested to apply immediately.  
(Applications will be considered as they arrive.)

Department: Academic

Salary: Shrewsbury International School QTS salary scale applies.

Benefits: An excellent international package of benefits including:

- Two-year contract;
- Excellent accommodation in Central Bangkok for singles and couples is available subject to availability at The Chatrium, adjacent to the school ([www.chatrium.com](http://www.chatrium.com)) or for singles, couples and families at Bangkok Garden, only minutes from the school ([www.bangkokgarden.com](http://www.bangkokgarden.com)). The accommodation is provided free of charge, although a small tax deduction is made at source.
- Flights at the beginning and end of each contract;
- Relocation allowance at the beginning and end of employment;
- Medical insurance with Cigna (Thailand);
- Generous support for personal professional development.

Position Summary: The Teacher of Design and Technology reports to the Director of Design and Technology, Mr Mark Holloway, and is expected to teach a full timetable of 48 periods (55 minutes / 10 day cycle), as well as contribute to the school's co-curricular programme. This department comprises highly motivated and experienced staff teaching throughout the Senior School (Years 7 - 13) as well as specialist DT lessons in Years 3, 4, 5 and 6. Whilst the majority of teaching in this role is expected to be focused on KS3, experience of either IGCSE teaching, or delivering Design and Technology at KS2, would be an advantage to those applying. Knowledge, interest and experience in the latest developments in the teaching of Innovation, particularly through CAD/CAM technologies are also expected. Expectations are high in all Key Stages and design-related courses are a popular choice for the school's students at university. The department currently offers both Resistant Materials and Graphic Products as separate option choices at GCSE (CIE) followed by the Edexcel Product Design AS and A-level courses in the Sixth Form. We are seeking an outstanding practitioner with excellent contemporary design and technology knowledge and skills to further enhance the learning of students in an already thriving department.

General: Shrewsbury is one of South East Asia's outstanding international schools, with enrolment of nearly 1800 students from Early Years to Sixth Form, exceptional examination results and particular strengths in the creative arts, design and sport. The school is near completing an ambitious building project of world-class resources which will allow numbers in the Senior school to continue to grow. The school itself enjoys a delightful and spectacular setting, right on the banks of the Chao Phraya River in the heart of Bangkok. The teaching environments are spacious, fully equipped and dramatic. The school is readily accessed by road and has its own boats, which provide an easy and quick link to Bangkok's Skytrain and the city centre. The link with Shrewsbury School UK ([www.shrewsbury.org.uk](http://www.shrewsbury.org.uk)) is taken very seriously and, year-on-year, develops into a world-class educational partnership.
