

Science Technician

(Chemistry)

Actual Salary: NJC Scale 3 (£18911-£19,252)

36 hours a week; 39 weeks a year.

We require, starting in May a talented and enthusiastic Science Technician to join a successful team working in a high performing school.

Langley Park School for Boys is a large, over-subscribed, 11-18 school with a co-educational Sixth Form. We consistently achieve high academic success, whilst maintaining a commitment to educating the 'whole child' through the promotion of sport and the arts as part of a well-rounded curriculum.

What we are looking for:

The successful candidates will:

- Join an established team of technicians to ensure the smooth running of practical support for the teachers in the Science department under the direction of the Senior Science Technician and the Head of Department.
- Have a broad knowledge of all science disciplines, but will be primarily responsible for Chemistry
- Need to have an awareness of CLEAPSS, Health and Safety guidelines and be able to carry routine maintenance work including safety testing of electrical equipment.
- Be responsible for preparing orders as agreed with the Senior Science Technician.

What we have to offer you:

- £38M building with state of the art facilities.
- Committed and hardworking students.
- Ongoing professional development and training
- A friendly and supportive working environment
