

# Thetford Grammar School

Independent School for pupils aged 3 - 18

Head: Mr Michael Brewer

Dear Candidate,

Thank you for your interest in working at Thetford Grammar School, I would like to give you some insight into who we are and why this is such an exciting time to join our school.

Thetford Grammar School has a long and distinguished history as a seat of learning dating back over 1400 years. In modern times, we have a strong reputation for academic excellence, with pupils at all stages of the school achieving the highest levels of success in a wide range of disciplines. Our GCSE and A level results are significantly above local and national averages and we successfully prepare students for entry to top universities including Oxford and Cambridge each year.

Our Art department is a key feature of school life across the 3-18 age range. Through a broad curriculum, successful implementation of Arts Award, whole school celebration of our Artist(s) of the Month, and superb support at GCSE and A level, engagement with Art at Thetford Grammar School is excellent.

Outside the department, the school has embarked on an ambitious programme of growth and development that has seen us welcome our first international pupils and, in September 2019, open our first boarding house.

Looking ahead, Thetford Grammar School plans to grow in number and reach, both locally and further afield. TGS is an integral part of Thetford's rich and distinguished history, and we are determined to be of continued benefit to our town and community. Opportunities for creative partnerships with other local institutions and outreach projects are an important part of the school's outlook. At the same time, we will be establishing an international perspective and presence, as well as raising our national profile as one of the country's leading independent schools.

For the right person, this is an opportunity to join Thetford Grammar School at a time of exciting change. Candidates are invited to contact the school to arrange an informal discussion ahead of application.

Yours faithfully,

Michael Brewer
