Autumn 2023

Dear Prospective Candidate,

Thank you for your interest in this important post. As results have risen there has been a surge of interest from students, making Geography currently amongst the most popular option subjects in the school. We are looking for someone someone who is willing to go the extra mile to inspire our learners and put Geography even more firmly on the map! Students enjoy the strong teaching in the department and also relish the range of extra-curricular opportunities on offer. We would want you to be a motivational teacher of Geography and to work with the team on improving our results further still. We would also like you to be ambitious and confident in leading our students on experiences outside the classroom. If you do not yet have experience of leading extra-curricular activities we will be very pleased to support the development of your knowledge and skills in this area.

We are very pleased to offer visits to potential job applicants. Please contact me if you would like an informal conversation and/or a tour of the school.

Please apply by completing a Buckinghamshire application form. You should also write a personal statement indicating how your experience to date has prepared you for the post, and how you think you could contribute to the school (no more than two sides of A4, please). You can access the application via this link: <http://www.cressex.org/182/join-our-team>

We very much hope you will feel inspired to come and be part of the Cressex team.

With best wishes,

Khaiam Shabbir  
Headteacher

WELCOME TO CRESSEX COMMUNITY SCHOOL

# About Us

## The School

Cressex Community School is a popular and successful secondary school with approximately 750 students on roll on the western flanks of High Wycombe. In 2010 we moved into an outstanding new building. Classrooms are large, bright, and equipped with the latest technology, including Promethean interactive whiteboards, and have plenty of storage space. Our sporting and other facilities are state-of-the-art, and staff are able to benefit from a free on-site gym.

## Our Values

We take great pride in the quality of education we offer, and in our strong team-working among students and staff. Our student body is wonderfully diverse; at the time of the last school census over 30 different first languages were recorded. We have a number of very able students who perform excellently in public examinations. In 2022 and 2023, our students achieved the best results in the school's history in many subjects, with a high proportion of exams passed at the top grades, and an overall Progress 8 score of approx. +0.4. As an all-ability school, we are equally proud of the success of our lower attaining students. All students achieved at least one GCSE pass; 99% gained five or more passes.

## Why Join us?

Our most recent Ofsted inspection in January 2019 recognised us as a 'good' school with a number of outstanding features. Our students were described as:

**“charming, confident, respectful and welcoming.”**

The staff at Cressex are highly skilled and committed to securing high achievement for all. We are a family-friendly school that actively promotes a healthy work-life balance through reduced marking volume (we have three Assessment Points per year instead of six); a four-day teaching period every Friday; two weeks' paid paternity leave, and many other benefits.

OUR PASSION FOR HUMANITIES

# The Humanities Department

## The Team

The department is very well resourced to support learning at Key Stage 3 (Y7 and Y8) and GCSE (Y9-Y11). We have recently moved to a three year GCSE course, giving students additional time to master the content of the course ahead of the exam. At GCSE we follow the AQA specification, while at Key Stage 3 we ensure our curriculum exposes students to a variety of experiences, as well as the knowledge and skills that are needed for them to choose the GCSE course with confidence.

Classes have access to a number of ICT rooms and the school library, which may be booked for class use. In addition to this, our extensive grounds contain a pond, wooded areas, an “eco-dome” and gardens, all of which can be used by staff to teach students about their environment. There is also a technician who supports the department with photocopying and administrative duties.

## Our Results

Geography achieved good results in the most recent round of full GCSEs(2023) which contributed to excellent results achieved by the school overall.

## Our Students

Students' behaviour throughout the school is exceptional. Teachers have positive relationships with our humorous and well-mannered students. As a smaller-than-average but oversubscribed school, teachers really know students on an individual basis, and are able to help them develop over time. Successes are celebrated regularly, including the dissemination of students' excellent written work.

# Job Description

## Responsible to:

Head of Department

## Job purpose:

In addition to fulfilling the duties of a classroom teacher as a very effective practitioner, to contribute to overall high standards of learning and achievement in the school by consistently high quality teaching.

#### HASSLE-FREE COMMUTE

## Easily Accessible

As you explore exciting career opportunities, we want to emphasise the convenience and accessibility of our school, particularly for those commuting via the M40.

Situated just a stone's throw away from the M40 motorway, Cressex Community School offers an ideal location for teachers seeking a smooth and hassle-free commute. Our prime location ensures that you can easily connect to our school from various nearby towns and cities, making your journey to work a breeze.

By choosing Cressex Community School, you'll find yourself in a nurturing environment that values the importance of work-life balance. We understand that a stress-free commute plays a significant role in your overall wellbeing and job satisfaction. With our proximity to the M40, you can enjoy a convenient travel experience, allowing you to arrive at work energised and ready to inspire young minds.

#### ON-SITE CHILDCARE

## Discounted Nursery

Having Cressex Day Nursery conveniently situated on our school site significantly benefits our staff and enables them to avail discounted nursery rates. It provides a convenient and accessible childcare solution for those with young children, making it easier to balance work and family commitments. By offering discounted rates, we demonstrate our commitment to supporting our employees' well-being and work-life balance.

This initiative not only helps attract and retain talented staff but also fosters a sense of community within our school. With the assurance that their children are in a safe and nurturing environment nearby, our staff can focus on their roles with peace of mind, knowing that their little ones are well taken care of.

CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD)

## CPD Opportunities

The availability of continuous professional development opportunities with Johnson & Johnson is a valuable asset for our staff at Cressex Community School. Partnering with such a renowned and respected organisation offers our teachers access to high-quality training and development programs. By collaborating with Johnson & Johnson, we ensure that our staff stays updated on the latest educational practices and methodologies.

These opportunities empower our teachers to enhance their skills, expand their knowledge base, and incorporate innovative approaches into their teaching. The collaboration with Johnson & Johnson not only elevates the professional growth of our staff but also enhances the overall educational experience we provide to our students, fostering a culture of excellence and continuous improvement within our school community.
