

Teacher of Maths

A Welcome from Jackie Sharman, Principal

Weydon has been graded as Outstanding by Ofsted since 2009. This is, in part, due to its continued and consistent academic success rate. We are ranked in the top 11-16 comprehensive schools in the country according to The Sunday Times Parent Power. In 2019 88% of students gained 5 or more GCSEs at grades 9-4, 75% at grade 9-5 including English and Maths. 45% of students achieved a grade 9-7 including English and Maths.

The school became an Academy in April 2011 and is also a National Support School, earning Leading Edge status. We are a SSAT Schools Network Consultant School. Together with St John the Baptist School in Woking and Salesian School in Chertsey we became a Maths Hub in September 2014. We achieved World Class status in December 2016 and became a Multi Academy Trust, called WMAT, in September 2017. We also host a SCITT working with in excess of 40 teacher trainees each year. All these additions bring exciting opportunities for staff and students.

Our students' achievements are impressive: 96% go onto further education with many going on to Oxbridge. Over the last decade the school has seen rapid improvements including the construction of a theatre, 3G sports pitches, a new Humanities /English block known as The Globe and each faculty area suited in its own facility. We are one of the most oversubscribed schools in Surrey and enjoy an excellent reputation in the community. You will find the level of respect shown between staff and students is a joy. The Weydon staff team is vibrant, hard-working, innovative and up for a challenge. The school enjoys a strong level of staff retention. Teaching and associate staff work well together as a team. Our associate staff members are often leading lights in suggesting and bringing about school improvements. The staff form a close-knit group who enjoy each other's professional and social company, as well as acting as 'critical friends'.

Furthermore, the parents and Governors add further strength to the school. School trips, holidays and visits are plentiful. Staff have an active social scene and the staffroom (The Hub) is well used, reflecting the excellent team atmosphere. As a school we expect the highest standards in teaching and learning. We will require you to take part in extra-curricular activities and to go that "extra mile" for the students. If successful in your application to join Weydon, we will ensure you have every opportunity to develop your skills. It's great fun and there is a real buzz about the place.

Weydon has its own enhanced pay scales and performance management benefits including healthcare package and gym membership. We are ambitious to improve further and so I hope that you consider yourself to be the person to help us continue to improve our performance. This is a wonderful career opportunity to work in a school where kindness and goodwill go hand in hand to make it special.

I look forward to meeting you.
