OTHER CONDITIONS

Compliance with visa requirements for working in the United States of America

At Nord Anglia Education we are committed to providing a world class, safe, happy environment in which children and young people are able to thrive and learn. We are committed to safeguarding and promoting the welfare of all our pupils irrespective of race, ability, religion, gender or culture.

All post holders in regulated activity (having regular unsupervised contact with children) are subject to appropriate national and international vetting procedures including satisfactory criminal record checks from both Country of residence/birth and any Country of residence within the last 10 years.

Dear Applicant,

Thank you for your interest in working at a Nord Anglia Education school.

By joining one of our schools, you will be welcomed into a global community of approximately 10,000 people working together in 65 premium international schools located in 29 countries around the world. Together, we educate approximately 65,000 students globally from ages 2 to 18 across China, Southeast Asia, the Middle East, The Americas and Europe.

Each of our schools are unique in character and offer an education tailored to meet the needs of its community. However, all our schools are united by our 'Be Ambitious' philosophy – we are ambitious for our students, our people and our family of schools. This means that we want every student to achieve more than may have ever thought possible which we ensure through personalised learning enhanced with unique global opportunities.

As a fast-growing family of schools, we also offer unique opportunities for you to grow professionally and develop your career. In addition to gaining exceptional experience in our schools, our teachers have access to a wide range of resources and support to enhance their success. We offer every teacher extensive training and resources through Nord Anglia University, our vibrant professional development community. Nord Anglia University connects you to colleagues around the world in our online international staffroom and also provides access to courses, seminars and the support of educational experts.

Through unique collaborations with The Juilliard School and the Massachusetts Institute of Technology (MIT), you will also get unrivalled access to world leading experts in the performing arts and STEAM subjects (science, technology, engineering, arts and maths). Also, our collaboration with King's College London, exclusive to Nord Anglia staff, gives you a chance to earn your Executive Master's in International Education.

You can find out more information about what makes our schools a great place to teach at www.nordangliaeducation.com/careers

Good luck with your application.
