

A Quality OSG Campus Principal...

Lives the values:

Committed to displaying integrity and care & compassion, is respectful of others and takes responsibility for their actions.

Is 'OSG First':

Leads buy-in and alignment to OSG's vision, ethos, learning to learn framework and values with clarity and conviction, to develop highly engaged staff, parents and students.

Understands and Implements the L2L Framework:

Ensures the L2L Framework is fully implemented on campus and coaches staff and students to utilise the Framework.

Builds a positive culture of trust:

Good communicator with fairness. Builds mutual trust and respect in a safe environment where all stakeholders are informed and empowered, without politics.

Leads High Performance within their team:

Accepts accountability for setting, leading and delivering high standards of performance that apply to all. Coaches and mentors to ensure everyone within the team can reach their full potential.

Solution focused:

Confronts problems and issues quickly, gets input from team members and develops practical solutions.

Thrives on Feedback:

Gives and receives feedback to and from all stakeholders .

A global education ecosystem that develops life-ready students who learn how to learn, and achieve.
