# Welcome from the Principal

Thank you for your interest in this post. I hope you find this information pack helpful. If you would like to know more about us before you apply please see our website

[www.thesuttonacademy.org.uk](http://www.thesuttonacademy.org.uk)

The Sutton Academy opened in September 2010 and is on a successful improvement journey to good and outstanding.

I have a clear vision for all students in our academy to achieve their best academically, whilst nurturing their talents and passions.

We strive for the highest possible levels of achievement for all our students and are committed to providing the highest standards of teaching and learning. In return we have very high expectations of student behaviour and their commitment to their learning.

Our students benefit from a modern learning environment with outstanding facilities. This helps to create a vibrant and positive learning community which is friendly, caring and purposeful.

We are aspirational for our students and see it as our duty to ensure that all our students have the best life chances possible and eventually leave the academy well prepared to take their place in the world of the future as confident and responsible adults who are empowered to make real choices in their lives.

Alison Sherman  
Principal

# Why Choose Us?

If you choose to pursue an application to work at The Sutton Academy it is because you are motivated to work within a supportive, collaborative and dynamic team which consistently strives to achieve the best outcomes for our students. We believe in providing opportunities for all - both staff and students. Our expectations are high for everyone within our community, recognising the fact that only through this teamwork can we all achieve our aspirational goals. Staff come to work to teach lessons that ensure students make excellent progress. Parents choose our school because of the expectations we have of ourselves and our willingness to go above and beyond for everyone within our community. Likewise the high expectations that we place upon ourselves as professionals, we also extend to our students whether it be with their progress, uniform or behaviour throughout the school and community.

If you are looking for a school that will challenge whilst supporting you, then our CPD package will ensure you develop your skills, whether it be in the classroom or as a leader influencing colleagues.

*Why work at The Sutton Academy?*

*"I couldn't have chosen a better place to begin my teaching career, I cannot image a workplace where I could feel more supported, encouraged and appreciated. Reading about TSA online I had a strong idea it was where I wanted to work and my interview day confirmed this completely. Meeting the friendly and approachable staff coupled with the bright, vibrant pupils I was sure this was the place for me. As an NQT I have been offered fantastic support and weekly training to encourage my development as a teacher."*  
- NQT English

*"The school has an excellent support system in place to make sure all aspects of the job specification are met. This ranges from NQT master classes on a weekly basis down to one to one support from mentors. The different opportunities that The Sutton Academy have offered in order for me to develop my teaching practice has really opened my eyes to the wider role of a teacher and possible routes for progression in the future. The Head makes sure she speaks to all new staff to ensure they are coping well with the job role and to make sure that any further support is offered to aid the role or even help with a specific group."*

# Learning at The Sutton Academy

We encourage and support all children to achieve their full potential at The Sutton Academy. We make this possible by placing great emphasis on an orderly and happy working environment where high expectations are the norm. Our lessons are challenging, engaging and inspiring. Our students actively work together and independently enabling them to make good progress.

We have a highly skilled and dedicated team of teachers here at The Sutton Academy. They plan lessons very carefully to meet the needs of individual children. They have high expectations which challenge all pupils to achieve their best.

The curriculum is designed to create learning pathways that meet the aspirations, talents and needs for each individual and blends the traditional with the creative.

Our Key Stage 3 (Years 7 & 8) is designed to accelerate learning and progress, developing learners who have the knowledge, skills and enquiring minds that will enable them to achieve to their full potential in Key Stage 4.

The national curriculum is followed ensuring a broad and balanced range of subjects with an emphasis on developing literacy and numeracy.

Our Key Stage 4 programme, studied in Years 9,10 and 11, offers an extensive choice of options, including a full range of academic GCSEs and English Baccalaureate subjects.

Students are taught in groups arranged by need and ability, based upon rigorous analyses of all available data. This enables staff to stretch and support all students to help them achieve exceptional progress.

Our sixth form provision offers continuity from Year 11 with clear progression pathways. We offer a wide range of academic A Level courses as well as more vocational Level 3 qualifications; some students choose a blended pathway of both academic and vocational courses.

Clear regular target setting, assessment and reporting systems underpin all aspects of learning throughout the Academy so that students understand the progress they are making and how to make further improvements.

At The Sutton Academy we believe enrichment is an entitlement and we expect all students to attend our extensive range of activities.

In addition to trips, residential excursions and international opportunities, there is a menu of activities that take place at lunchtime and after lessons as well as during holidays.

Enrichment offers students the opportunity to develop new interests, become more knowledgeable and skilled in an area boost self-confidence, and benefit from doing something away from the pressure of passing examinations.

The objective of enrichment is to

- \* Widen students' intellectual experiences
- \* Improve independent learning skills
- \* Develop love of learning
- \* Offer students the opportunity to pursue their talents and interests
- \* Have fun and relax.

# The Art & Design Department

The Art & Design department is part of the Design Technology Faculty.

At Key Stage 3 our students study and explore the different disciplines within Art and Design, delivered via our rigorous PACE curriculum. The course during year 7 and 8 is designed to build students' art skills and knowledge whilst studying a wide range of themes and contemporary artists.

We have a broad yet focused curriculum at Key Stage 4, designed to challenge students of all abilities and progression routes. The GCSE qualification is currently a 3 year course and is a varied programme designed to provide every student with the opportunity to demonstrate their skills, knowledge and understanding.

Students currently have the opportunity to embark on their GCSE studies in year 9 and begin the course with mini skills workshops, before starting their practical portfolio. Students further develop their skills in year 10 and 11 building on prior knowledge and accessing new materials, techniques and processes through varied projects which are refreshed and revised yearly.

At The Sutton Academy, we allow our Key Stage 5 learners to develop their independence by completing an A Level course over 2 years. Students have the independence to specialise in their preferred discipline when producing their Personal Investigation.

Our faculty is renowned for its inclusive environment, for both staff and our students. We are an enthusiastic team, who work hard for our students and for each other. We have a Faculty Leader, Assistant Faculty Leader and Curriculum Leader whom are all responsible for their respective subjects and the staff within their departments. There are 10 staff in total, including our two technicians who support in making our areas safe.

We pride ourselves on being open to new ideas, technologies and equipping our students with the vital skills needed to work independently. The Art department is committed to teaching Art & Design concepts and issues through high quality and exciting teaching and learning strategies.
