LETTER FROM OUR CHAIR OF GOVERNORS

Dear Applicant,

Thank you, on behalf of the Governing Body, for your interest in the post of Headteacher at Rachel Madocks School.

Rachel Madocks is a very popular Special School for children aged 2.5 – 19 and this is reflected by our current NOR of 91. The friendly teaching and support staff team works hard to ensure that the school continues to improve, building on last November's positive OFSTED report which confirmed we continue to be a Good school. We are fortunate to have recently benefitted from extensive rebuilding and refurbishment work, which has modernised all areas of the school. This is complemented by modern teaching aids including the latest IT. Carefully focused staff training and development ensures an excellent staff team.

This post has arisen as our current Headteacher, Mrs Jackie Sumner, will be leaving on the 5th April 2019. Following a very successful 10 years in post, during which she has transformed the school's performance, she has decided to focus on her life outside of the school.

The Governing Body is seeking to appoint an ambitious Headteacher with the vision to build on current good practice and bring fresh ideas to continue our drive forward. You will provide evidence of excellent people management and interpersonal skills which demonstrate an ability to motivate, inspire and engage. As the school is at the heart of the local community, the new Headteacher will maintain and extend links beyond the school boundaries. The successful candidate will be supported by an able and dedicated Senior Leadership Team.

We would positively encourage candidates to visit the school for a tour in order to better understand our ethos and meet staff and pupils. Candidates wishing to visit should contact Coleen Smith on 02392 241818 or c.smith@rachelmadocks.hants.sch.uk but please note the different arrangements for applications on page 18.

I would like to thank you again for your interest in the post, and I look forward to receiving your application.

Yours sincerely,
Stuart Baldwin
Chair of Governors

SCHOOL INFORMATION

Rachel Madocks is a special school for children aged 2.5 - 19 years with severe and profound multiple learning difficulties, autism and some with complex medical needs.

We pride ourselves on the quality of education we provide to our pupils and the opportunities we create to encourage and develop their communication and independence skills.

We strive to provide exciting learning opportunities relevant to every pupil's needs in a happy and caring environment where everyone is respected and valued.

ADMISSIONS

Hampshire County Council is the admissions authority for Rachel Madocks School. Prospective pupils must hold an Education, Health and Care Plan. Most of the pupils live in Hampshire, but there are some who travel in from Portsmouth. Children are likely to meet the criteria for admission if their special educational needs fall within the following spectra: Cognitive difficulties that may be severe

or profound; social communication and interaction difficulties that impact on their ability to access the curriculum; complex medical needs provided the safety of the child can be ensured.

Most children arrive at school and are taken home by school transport while others are transported by their parents.

PUPIL SAFETY and WELLBEING

Rachel Madocks School and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to enhanced DBS checks along with the other relevant employment checks.

In this transition year we offer ASDAN Towards Independence, Developing Skills in Numeracy and Developing skills in Literacy. We also start Year 1 ASDAN Personal Progress Diploma and Towards Independence E-safety award.

The curriculum enables young people to diversify their knowledge and understanding of past learning into a life skill. There is an emphasis on Personal and Social Development with many activities being taken off site in the community and linking with other schools and facilities.
