

Hulme Hall Grammar School

Lead Teacher of Mathematics (Subject Lead)

Job Description

The School

Hulme Hall Grammar School is committed to safeguarding and promoting the welfare of children and young people, we expect all our staff and volunteers to share this commitment. This post is subject to an enhanced DBS check.

Hulme Hall Grammar School is an independent school for boys and girls, based in Stockport. It was established in 1928 and has approximately 160 pupils on roll, from Pre-School to aged 16. The School prides itself on providing a caring, supportive environment where every pupil is treated as an individual. Small class sizes in combination with excellent teaching, lead to consistently good examination results.

The Governors are seeking to appoint a committed and enthusiastic Lead Teacher of Mathematics (Subject Lead).

The successful candidate will:

- be QTS qualified
- be able to teach Mathematics at Key Stage 3
- be able to teach Mathematics at Key Stage 4
- be able to lead, manage and direct other staff in the department
- prepare, evaluate and develop appropriate schemes of work for all pupils within the department
- be able to plan and prepare lessons according to departmental and whole school policies
- be able to motivate and inspire students
- be able to promote and ensure high standards of discipline among pupils, both inside and outside of the classroom
- have a belief in the ability of all students to achieve and succeed
- be committed to safeguarding and promoting the welfare of children

Line of Responsibility:

The Teacher is responsible to the Assistant Head (Curriculum) and, ultimately, the Headmaster.

Operational Responsibilities:

1. Provide pupils with a role model for standards of interpersonal and professional conduct.
2. Ensure that the quality of teaching, learning and behaviour in lessons and tutor time is of the highest possible standard.
3. Monitor the quality of teaching, learning and behaviour in lessons provided by other staff within the department.
4. Assess and report on pupil progress and give clear, constructive feedback which will assist each pupil to raise their achievement and reach their goals.
5. Contribute to the raising of achievement in the subject and year teams. This will also include responsibility for the Department Development Plan and development of schemes of work.
6. Implement all aspects of the school's policies and procedures.
7. Contribute to the school's process of self-evaluation.
8. Promote the activities of the Mathematics department both internally and externally.
9. Take responsibility for her/his own professional development and that of others working within the department, using the outcomes to improve teaching and learning for all.
10. Contribute to pupils' wider development in the school, including making a positive contribution to co-curricular activities within the school.
11. Carry out any other duties which may reasonably be required by the Senior Leadership Team.

In return, we can offer:

- A school committed to safeguarding
- A welcoming, friendly and inclusive school
- A committed staff team
- Well-motivated pupils who have a positive attitude to learning
- Opportunities for personal career development

Conditions of Service:

A competitive salary (circa £28,000 to £37,000 depending on experience) and benefits package will be discussed at interview.

Application Procedure:

A fully completed application form (which can be downloaded from the school website), to include details of two confidential referees should be addressed to: The Headmaster, Hulme Hall Grammar School, Beech Avenue, Stockport SK3 8HA, or e-mailed to The Headmaster's Secretary, Mrs Cooke, at d.cooke@hulmehallschool.org

Closing Date for Applications: Wednesday 15th April at 1.30pm

Interviews: Week beginning Monday 19th April.

Start Date: September 2021
