- principles and practice of quality assurance systems

Professional qualities

Commitment to:

- principles and practice of school self-evaluation
- individual, team and whole-school accountability for pupil learning outcomes
- the school working effectively towards the academic, spiritual, moral, social, emotional and cultural development of pupils

Ability to:

- engage the whole community in systematic and rigorous self-evaluation
- demonstrate political insight
- analyse data to understand the strengths and weaknesses of the school
- combine outcomes of regular school self-review with external evaluations to develop the school

General

These responsibilities may be reviewed at any time with due consultation and will be reviewed every three years as part of the triennial review of staffing and responsibility structures.

All staff are responsible for the implementation of the Health and Safety Policy so far as it affects them, colleagues and others who may be affected by their work. The postholder is also expected to monitor the effectiveness of the health and safety arrangements and systems to ensure that appropriate improvements are made where necessary.

The School has approved a policy on Equality and Diversity in employment and copies are freely available to all employees.

Prepared: December 2017
Designation: Headteacher
