

Dear Colleague,

Welcome to **Wellington College International Pune!**

Thank you for taking the time to read this letter and for potentially applying to join us at Wellington in Pune.

Wellington College International Pune (WCI Pune) formally opened in September 2023. Situated in a prime location in the city of Pune, with excellent transportation links, we aim to provide an innovative learning environment for a first-class educational experience for pupils aged 2-18. Our world-class facilities allow us to offer the very highest academic and pastoral standards, in tandem with outstanding sporting and cultural opportunities.

Pune is a wonderful and innovative city, referred to as 'The Oxford of the East' by Pt. Jawaharlal Nehru (the first Prime Minister of India), and it has emerged as a major global educational hub; home to the highest number of international students of any city in India. Wellington College enjoys a superb location, nestled at the banks of the Mula-Mutha river on an inspiring 10-acre campus.

Building on the 170 years history and traditions of Wellington College UK, we follow an inspiring curriculum for Early Years and Juniors and employ the English National Curriculum for Years 7 to 9. From August 2024 we introduced the IGCSE curriculum for our Year 10 pupils and we intend to offer the IBDP for our new Year 12 programme from August 2025. Our outlook will be shaped by our international perspective and our overarching objective will always pursue academic excellence throughout all year groups, with pupils ultimately achieving the superb results required for top universities around the world.

WELLINGTON
COLLEGE
INTERNATIONAL
PUNE

A Wellington education is, of course, entirely pupil centred, with an ethos determined by the beliefs of individual respect and responsibility, recognizing the complete uniqueness of each child. WCI Pune embraces a strong community spirit, with a focus on independent learning and global citizenship at the very centre of the school's philosophy. Wellington pupils have access to invaluable and fulfilling experiences, with their wellbeing at the core, preparing them for the twenty-first-century global world in which they live.

We are delighted to have introduced the virtues of a Wellington education to Pune; the Wellington name is forever associated with quality and high expectations, attributes that are replicated with WCI Pune. Indeed, our vision for the school is encapsulated by the Wellington motto 'Pioneering education to serve and help shape a better world'.

Thank you for considering Wellington College International Pune - it is most appreciated.

Dr Murray Tod
