The Geography Department is part of the Humanities Faculty, which is a large specialist team with results consistently amongst the highest in the school. Geography is well resourced and has a strong collaborative ethos which ensures lessons are constantly developed to meet the needs of students. We are passionate about the importance of Geography for students to become global citizens with a rich understanding of the everchanging physical and human world around them. The subject is well regarded by students and is one of the most popular options taken at GCSE. Recent field work has taken students to the Dorset coast, Cardiff Bay and London Docklands. We currently teach Edexcel specification at GCSE and A Level.

The Trust is keen to appoint aspirational and innovative teachers who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students within the subject area.
