Our Approach

Woodcote High School is on an exciting journey, one that is going to allow us to build on our strong academic success. We have high aspirations for all our students in our care, both pastorally and academically. We are committed to ensuring that every child who joins us will have every opportunity to reach their full potential and leave us well equipped for integration into society as well rounded citizens who will be able to make a contribution to the wider community.

Woodcote is very much the school of choice for students in our local community and our academic track record of success over the years gives confidence to all our stakeholders.

You can find out more information about us at the following websites:

Our Values

We want to ensure that our students live by our ASPIRE values of high Ambition, Self-reliance, Perseverance, Inquisitiveness, Respect and Enthusiasm for life. We have developed our curriculum to be not only academically rigorous, but to foster a culture of success in our students.

At Woodcote High School, our purpose is excellence. We will be robust in the delivery of lessons ensuring that we enthuse a thirst for knowledge and develop confident, critical thinkers who embrace challenge. In creating an exceptional learning environment, we will meet the needs of all our students, supporting them in their journey to reach their full potential.

By delivering quality first teaching, our students will be independent, lifelong learners who are ambitious, self-reliant, persevering, resilient and reflective. We will encourage our students to be inquisitive; develop enquiring minds that will increase their enthusiasm and provide academic enrichment. We will develop students with a strength of character that will shape well rounded respectful global citizens equipped to make a positive contribution to society.

In partnership with all stakeholders, our aim is to provide our students with a world-class education.

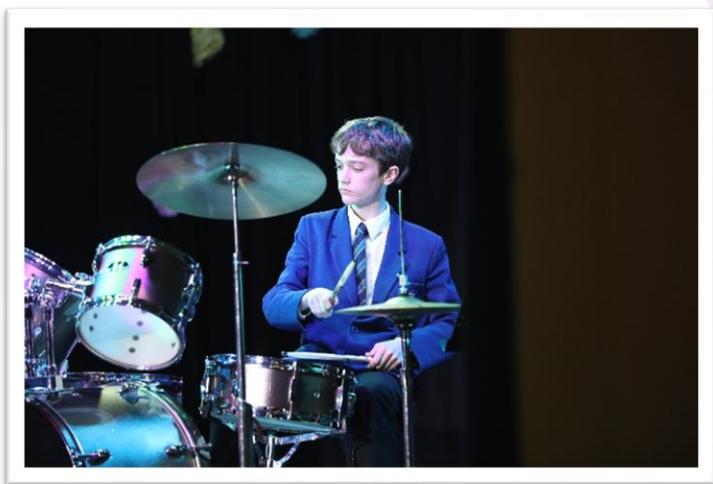

Our Students

At Woodcote High School we feel that students who are happy perform at their best. We provide a positive learning environment, where all students work with confidence and motivation to reach their full potential. We feel that students gain enormously from feeling that their work is valued and that extra effort on their part deserves both praise and reward.

Our Praise and Reward scheme is linked to academic achievement by going above and beyond in, for example, progress, participation, an excellent piece of coursework/homework, test result or consistent effort over time. The Headteacher holds reward breakfasts once a term to celebrate students' success.

Students enjoy their parents being informed of good work and staff regularly send out positive praise postcards so that parents/carers are immediately aware of good work or behaviour.

Year group praise and reward systems are in place; these feed into celebration assemblies and prize draws.

At the end of each term, our whole school end of term assembly concentrates on praise and reward and students receive certificates, prizes, and trophies for their achievement.

Woodcote High School is also part of the Jack Petchey Foundation Achievement Awards Scheme - a recognition and reward initiative which enables us to celebrate the achievements of our students as well as receive additional funding. In the summer term we hold a Praise and Awards' Evening where we present certificates for achievement in all aspects of school life. Parents are invited to attend and watch their child receive these awards. A separate Sports Awards' Evening is held annually to reward the considerable sporting achievements within school.
