About Notre Dame Catholic Sixth Form College

Notre Dame Catholic Sixth Form College is one of the top sixth form colleges in the country with a historical track record of success. We are extremely proud of all our students' achievements, especially the individual progression that they each make in their time with us. The success is built upon teamwork between staff and students. Our staff are passionate about working with young people and always go the extra mile to provide guidance and support to help them succeed.

We are in a prime central location adjacent to Leeds University, within walking distance of the city centre with good transport connections to the rail/bus stations, uniquely situated down a tree lined avenue which provides a peaceful almost non-urban setting. Parking on site is provided.

Our core activity is to provide education for students aged 16-19, offering a range of A Level and BTEC courses, at both level 2 and 3. We are a highly successful college of approximately 2,300 full time 16-18 year olds and oversubscribed each year. Student destinations are excellent, with circa 80% progressing to University, a significant number achieving Russell Group and Oxbridge places, and with an increasing number of students opting for apprenticeships. Students study in a purposeful and diverse environment with a strong focus on respect in which every learner genuinely does matter.

An Outstanding College

We are very proud our recent Ofsted inspection has again graded the College for all areas as **Outstanding** demonstrating a sustained track record of outstanding both academically and pastorally. Our results at A level and BTEC/CTEC as measured by ALPs are consistently outstanding, which puts Notre Dame Catholic Sixth Form College one of the top Sixth Form Colleges in the country. There is a culture of high expectations and rigorous quality improvement in all areas with students continuously achieving well above their target grades and making a positive contribution to the College and its wider community. Student attendance and behaviour are exemplary, illustrating that the Catholic mission and ethos of the College is lived out at all levels.

Our Community

Notre Dame offers Catholic students from Leeds and surrounding towns and districts an excellent opportunity to continue their education in an environment that lives by its mission to build a community based on faith and trust. The College has a high proportion of students from disadvantaged areas (the College is in the lowest quartile of providers nationally in terms of disadvantage). Students are supported in their personal, academic and spiritual needs. Although the majority of the students are from Catholic backgrounds, the College welcomes students of other faiths and celebrates the diversity of the student population.

Links with the Catholic and local high schools are very strong. The Principal meets regularly with Head Teachers to discuss and share a wide range of curriculum, pastoral and strategic issues. Relationship with the Diocese of Leeds are maintained through the foundation governors. The College has outstanding links with both the local and wider community. The curriculum departments also contribute widely to the links with local community groups, employers, charities and local primary schools.

Notre Dame has an extensive range of enhancement and enrichment activities, involving many team sports, drama and overseas visits. There is a first-class programme of student support and a very active Chaplaincy group.

As a Catholic Sixth Form College we strive to be a centre of educational excellence for the community built on faith, respect and trust.
