Staff Wellbeing at the Dearne ALC

The health and wellbeing of all our employees is of high importance. Our workforce performs at a high pace to ensure our children exceed expectations and achieve outstanding results. Therefore we are passionate about investing in the health and wellbeing of #teamdearne.

Car valeting, mobile mechanic service whilst you work, professional ironing and dry cleaning service, medical services including NHS health programmes, blood pressure checks, flu vaccinations, diabetes checks, smoking cessation services and counselling are all examples of services we make available to our staff.

Social events have included competing in the South Yorkshire Workplace Games where we won the 'Spirit of the Games' award. In the Summer Term the Teaching & Learning Oscars were introduced in house. These events promote positive mental health and empower staff morale.

We massively promote mental wellness. Key colleagues are trained in recognising and supporting mental health issues. We provide bespoke prevention and early intervention strategies as an additional support to our employees.

Our commitment to staff wellbeing has been recognised throughout the Local Authority. In 2014 Barnsley Council presented our school with a Silver Award for the achievement of good practice in workplace health. In 2015, we hosted a business conference on workplace health alongside Barnsley Council and XPO. The Dearne was invited to present a case study on our staff wellbeing strategies. This is published in the RAND research report on workplace health earlier this year. In addition to this, we proudly hold Investors in People Bronze status.

We very much hope to welcome you to #teamdearne!

You as a key player at the Dearne ALC

Our commitment to training and developing our staff is central to the improvements we have made over the last 3 years. As a new member of staff at the Dearne, you will be offered bespoke training to support you in your new role. Again, OFSTED commend the 'impressive array of training opportunities and seminars for staff' and you will be able to access weekly CPD and a seminar programme in addition. We know you are our most precious resource and so we are committed to ensuring you get the best training we can provide to help you grow into the best professional you can be.

This is a very exciting time to join The Dearne. Every member of staff is an important piece in the jigsaw which will become the Outstanding Dearne provision. You will join us as we are rapidly improving, rigorously driving and securing significant success.

Does this sound like you?

Do you want to be a part of something very special?

Then join us at The Dearne!

Our superb Dearne students

The students at the Dearne are a wonderful group of young people. They are lively, outgoing and have much to say for themselves, a characteristic we encourage!

Most of our students live in local communities with high levels of socio-economic deprivation. We believe they deserve an education that is outstanding, full of ambition and aspiration. That is what you commit to providing, if you work at The Dearne.

In December 2014 OFSTED praised our students highly. They said behaviour was 'Good' and:

'Students behave consistently well in lessons because they are keen to learn'.

'Behaviour around the school is calm and considerate'

'Students respond swiftly to requests from staff and incidents of unacceptable behaviour are rare'.

'Students move around the school calmly and with consideration for others. They wear their uniform with pride'

We recognise this as our school on a daily basis and know our students are fine young people whose futures are worth committing to.

Parents and carers

Students are well supported by parents and carers who likewise overwhelmingly want the very best education for their children. We offer many opportunities to liaise with our community through Progress weeks held at the end of every term to review our young people's progress and attainment; rewards events where parents are invited to join us; many evening performances and in the past events such as the community cinema where such films as Frozen - Sing-a-long create truly memorable evenings!

Our partner primary schools

We have a 6-week innovative transition for our year 6 to year 7 students and have excellent working relationships with our primary partner schools to ensure a smooth transition. We are now innovating around schemes of work, 'bouncing books' and other initiatives which mean there is a genuine locality hub of schools working together in the best interest of our community.

Other links

We have close relationships with a number of other local schools to share best practice and support our students. We are a lead local school for attendance improvements and our 'SWAPP' scheme to support disaffected students has likewise been commended.
