General Information for Applicants

Southlands High School is on a journey to excellence. Our motto 'Endeavour for Excellence' demonstrates that we expect all stakeholders, staff and students to work hard. Southlands High School is striving to be 'Better' than ever before as a successful and inclusive school that works in close partnership with families and the community to achieve the best for our young people.

In December 2017, we were designated as a converter academy within the Mosaic Academy Trust with Standish High School (Standish High School as the lead) and look forward to going from strength to strength in our partnership. The Mosaic Academy Trust as an organisation seeks to value each and every member of the community and to become a family of schools that will welcome other schools and be a Trust whose chief aim is to become stronger as a whole than by the sum of its parts. The Trust has a Trade Union Recognition Agreement in place.

In 2017 Southlands High School was the 8th most improved school in Lancashire and the fastest improving school in Chorley. In 2018 we were in the top 5 schools in Lancashire for improving English and English scores at 4+. We expect to continue our journey of improvement further in all subjects.

We strive to meet the needs of the individual child so that they feel safe, secure and happy and enjoy their time at Southlands. We also aim to provide the highest standards of teaching and learning so that students are able to progress and fulfil their potential. We believe that every child should be given opportunities to develop their leadership skills as part of their growth and development in order to prepare them for adult life. Many of our students go on to be very successful in all aspects of life with a number attending some of the leading universities in the country. We are committed in our drive for academic excellence whilst offering a wide range of extra-curricular activities and opportunities so that our students can achieve educational success and develop fully as individuals.

We recognise that all students have the right to the highest quality education that will equip them with the qualifications they need to progress to college, university or their chosen career. Every decision we take to create our successful school comes from a firmly held staff belief that we can always strive to be 'better' than before.

The school was last inspected by Ofsted in June 2013 and was judged as good in every aspect. Parental responses to our latest Kirkland Rowell survey consider the school outstanding and student responses to the Pupil Attitude Questionnaire were also very good. Our school priorities for 2018-19 clearly focus on our culture for improvement: improving student outcomes, the development of teaching, learning and assessment, strong personal development, behaviour and welfare and effective leadership at all levels.

There are 827 young people on roll. The intake profile in both socio-economic and academic terms is that of a fairly typical comprehensive school.

At Southlands we are very proud of our caring school community and place great emphasis on high standards of behaviour and respect for all through our Southlands Standard.

Hopefully, this has inspired you to take a serious look at Southlands.

I look forward to receiving your application form.
