Dear applicant

Post Title : Teacher of PE

The Post

Thank you for your interest in the above post. The school is seeking to appoint a well-qualified and enthusiastic teacher to the department.

The post is full-time and teaching PE up to GCSE level is essential with the possibility of 'A' Level for the right candidate. Experience of teaching PE is therefore desirable. It is helpful if you can offer additional subjects, however, this is not essential. First and foremost, we are looking for an excellent Teacher of PE and there is a possibility of teaching to both boys and girls.

PE is taught throughout the school and there is an extensive extra-curricular programme to which the successful applicant will be expected to contribute.

The School

Thomas Mills High School is a flourishing 11-18 high school at an exciting stage of its development and I hope the enclosed information encourages you to apply. Our staff are vital to the success of the school and, if appointed, you would be joining a highly valued and hardworking team.

The school is situated in the pleasant and historic town of Framlingham. Results are consistently outstanding and we are justifiably proud of our academic excellence. High expectations of our students and well qualified staff lead to high quality teaching and learning. Students make very good progress during their time here and move successfully into university (including Oxbridge) or employment. Our academic results consistently place us as one of the highest performing schools in Suffolk. Our success is recognised by the Department for Education and we were delighted to be awarded 'World Class Schools' status.

Our curriculum has been enhanced by specialist status in technology, arts and languages. The school is large enough to provide a range of options and facilities and yet small enough for students to develop as individuals. There is an impressive range of extra-curricular activities which supports our students as they become confident learners and active members of the community. Visitors often remark on the calm, purposeful and self-disciplined atmosphere. Our school ethos is shaped by our Charter of Values which blends tradition and innovation.

Application

If, as I hope they do, the details of the post appeal to you please return the completed application form to the school as soon as possible. In addition, please write a letter (no more than two sides of A4) explaining how your skills and experience prepare you for the role. Please do not hesitate to contact the school should you need additional information or if you would welcome the chance to visit.

All applicants will be afforded equal opportunities; accordingly, please indicate if you are seeking the post on a job share basis. Finally, the school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. Our Recruitment and Selection Policy can be found on the School website.

I look forward to hearing from you.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Philip Hurst'.
