"If the teacher makes the weather, the school creates the climate."

Sir Tim Brighouse

Welcome

For me there are three simple things that I want us to achieve:

First, we believe in character education, which is delivered through all schools. Through this we instil the key habits needed for young people to be successful in life. It also pushes us to be the best in everything we do. Across our schools we have some of the best results in the area, we have students at the best universities, we have the most students on apprenticeships in the entire country, we have students on international scholarships and much more. We have all of this because we push our students and each other to try hard and be our best each and every day.

Second, I believe that if you can't see it you can't be it. We want to give our students the chance to see successful people of every religion, colour and background whilst they are at school. Whatever their dreams we want to support them and provide the networks and contacts to help them to achieve.

Lastly, we want our students to have a voice in the world. To be confident enough to express their views and also to have the knowledge to be able to make an effective contribution. The more you know, the more powerful you can be in the world.

The quote from Sir Tim Brighouse symbolises our approach to leadership. It is our role as a leadership team to create the best possible learning environment for our teachers to teach in. In return we expect the best possible teaching from them and our results show this over time. We have created systems and structures that support high quality learning while minimising workload and maximising impact.

Eastbrook is part of the Barking Abbey family and in joining our community you will be part of a group that educates nearly 5000 students with over 400 staff. We are well regarded with a fantastic reputation due to our supportive culture for staff, inclusive environments for students and excellent academic achievements at all levels.

If you think the way that we do and absolutely believe in the potential of all young people, then we can offer you the chance to make a difference and change our community for the better.

I look forward to receiving your application.

Kind regards,

Tony Roe

Thank you for expressing an interest in applying to work with us.

At Eastbrook secondary phase, all students are given the opportunity and platform to work, study hard and achieve in all aspects of the curriculum, in and outside of the classroom. We believe that all students should demonstrate good character in all aspects of their life and our curriculum is built around our **PROUD** habits: Principled, Resilient, Open, Understanding and Disciplined. We are a School of Character, which allows students to demonstrate these habits to offer a full and rounded educational experience.

We are very fortunate to have a very new school site, which offers some of the best teaching facilities in the area. Our learning spaces are second to none and include high quality science labs, professional level art and photography studios, the latest technology facilities, high spec music and drama facilities and equipment and multiple spacious sports halls, with professional equipment. All of which give students the best platform for high quality teaching and learning, where teachers are able to teach and learners are able to learn.

We have three key aims for all students that attend Eastbrook School:

- For all students to strive for **Excellence**.
- For all students to feel that they **Belong**.
- For all students to have the platform to **Succeed**.

To achieve these aims, we ask that all students are **PROUD**. **PROUD** of the work that they produce and the effort they put into their learning. **PROUD** of their achievements and that we have a culture of achievement where we celebrate the successes of others. And finally, but most importantly, that all students, staff and families are **PROUD TO BE** part of the Eastbrook and Barking Abbey family and community.

Eastbrook is an evolving and improving school. If you see potential in all young people and want to help harness and captivate the minds of eager and enthusiastic learners, we can offer you the chance to make a difference and improve our school for the better.

So, welcome once again to Eastbrook School and we look forward to you joining us and contributing to a community that you are **PROUD TO BE** part of.

Kind regards,
