In line with the Oasis Education Charter, the curriculum is the heart of our academy's educational provision. Through this and our commitment to an exceptional climate for learning and great pedagogy, we make learning the foundation of every lesson. We have designed our curriculum to meet the needs of all, striving for personal as well as academic and vocational excellence.

We know that the development of character does not happen by chance but by purpose and intention: it is therefore an explicit part of our curriculum. We work

hard at preparing our students to be the best version of themselves, today and in their futures.

Our curriculum is highly effective. In order to ensure that all our students receive the best, broad and exciting lessons and to make teachers' workload manageable, we have designed the Oasis Curriculum for all secondary subject areas. Led by our National Curriculum Leads, by the end of the academic year 2019-2020 we plan to have this extended into the primary phase, so that children from age 2 to 18 have the very best possible curriculum entitlement.

The Oasis ethos

Our ethos is a part of everything we do. We are looking for people who not only share in our vision but are champions of our ethos and 9 Habits.

Our ethos is:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

Putting the community into Oasis Community Learning: Oasis Hubs

Developing and running Hubs is core to the global purpose of Oasis and vision for healthy communities. To this end, our staff are committed to working in an inclusive, integrated and empowering way so that all people experience wholeness and wellbeing. We want to see local communities that are characterised by trust, safety, cohesion, mutual support, vibrancy, health and opportunity, as well as increasing capacity to address their own issues. We want to see those who are excluded brought back into the community to share the experience of wholeness and wellbeing.

Each Oasis academy is part of an Oasis Hub that responds to the needs of the local community through many different forms of outreach. Our united goal is to see the entire community transformed for the better.

Hear from our staff

“

Our role as site team is to make sure the building is safe and secure, and to make sure teachers, students, and everyone that attend the facilities can have a great experience.

Oasis 9 habits are one of the things that fascinated me since I joined Oasis in 2018, they are what shapes whole the organisation. And I could see them not just written in the wall but also in the member staff and in the students.

Joining us as site staff you will have a great opportunity to work with an excellent team, as I do, exchanging experience with site team of other Oasis Academies, and benefit of wellbeing programme.

We as a team, we love what we do and we look after one another.

“

I joined Oasis Community Learning as a career changer. I was working as a practitioner in the NHS, and wanted to take a break from that but still work for an organisation where I felt I was helping others. This was in 2015 and I am still here! The most important thing for me was working for an organisation that was welcoming, friendly and had a good culture. My work-life balance is great, and I love my team. I am also part of the social committee organising local events for our colleagues throughout the year.

Oasis has given me the flexibility to learn and develop, shaping my career in the direction that I want to take it. I started in recruitment marketing, working within the People Directorate. I then moved into the Communications team, and progressively took on more responsibility towards my role into management.

One of my favourite accomplishments has been project managing the Oasis National Student Awards. It is a bi-annual event where around 800 of our staff and students get together to celebrate our young people and their development academically and personally. There is professional entertainment, a 3-course meal and awards/medals given out. It really does remind you that you are part of something special.
