Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

February 2018

Dear Candidate

Thank you for your interest in the Achievement Coordinator role at Bohunt School Worthing (BSW). We are seeking a charismatic and driven individual who will lead the further development of the new school. You will have the opportunity to help establish and lead the culture, ethos and expectations for all members of the community. If you are passionate about learning, are confident you can meet the challenges of establishing and delivering innovative education and developing a similar passion in others then I would encourage and welcome your application. We opened in September 2015 in temporary accommodation and moved into new state-of-the-art buildings by June 2016.

In an expanding school we need new staff every year so your subject is not a critical factor in this appointment and joining us represents an opportunity to be part of an educational blank canvas. The successful candidate will have a record of success in your teaching career to date, have the ability to innovate and understand how to motivate young people and colleagues, be able to take initiative and have a genuine commitment to supporting the personal and social development of pupils. In turn we will provide a supportive learning environment, offer you the opportunity to make a difference and actively promote your career development.

As one of three achievement co-ordinators you have a pivotal role in the school. You will be responsible for student welfare and progress within a vertical house system containing two tutor groups from each academic year. The successful candidate will join a growing team led by our Assistant Head for Wellbeing supporting our three key values - Enjoy, Respect, Achieve. These create the ethos and culture of the school recognising that students who do not feel safe and happy cannot flourish. Achievement Coordinators have to be able to work collaboratively with students and their families to create the environment for success around the individual often under challenging circumstances..

This is an exciting time to be joining the Bohunt Education Trust (BET). Our £18 million Worthing School features various innovations in learning environments and technology that have been pioneered within the trust: dynamic learning environments, the use of ICT to transform learning including our 1-2-1 iPad scheme, STEM workshops (BET was STEM Leader of the Year in 2013), and excellent sports facilities. The trust has a proven track record of offering exceptional opportunities to develop your skills and career progression, to make a difference and work within a team committed to raising very high standards further

Starting at a new school is a unique opportunity and can come with many questions. Applications are being handled through our school office; please contact Lisa Day on 01903 601361, or by email recruitment@bohuntworthing.com with any queries, for an informal conversation about the role, to arrange a visit or for application returns.

If you are interested in the role please complete the teaching application form via the TES website. Please ensure that all periods not in education, employment or training are explained. Your supporting statement on the application form should be no longer than two sides of A4. It is your opportunity to tell us a little bit about your personal philosophy of education, why you are attracted to this post, the skills you will bring and any other details which you think are relevant.

Finally, I look forward to receiving your application should you decide that you wish to contribute to the development of Bohunt School Worthing.

With very best wishes

Adam Whitehead
