TEACHER OF ENGLISH

Be part of a challenging and exciting learning environment, within lessons and beyond.

We are an equal opportunities employer and are seeking applications from suitably qualified candidates from all backgrounds. There is no 'typical' Eton teacher; we value individuality, difference, teamwork and the contribution everyone makes to the life of the school.

We are looking for a well-qualified graduate to teach English throughout the school.

Our English department is a large, diverse, inclusive and collegiate department of informed, passionate teachers of language and literature. We all teach across the range of abilities, ages and specifications.

In Years 9-11, we seek to inspire students about the value and importance of literature whilst fostering critical skills, creative talents, and the control of accurate written English.

Clear course structures are in place, but where possible we encourage teachers to choose their own approaches and texts.

In the Sixth Form, we have been following the Pre-U specification for some years, and our final cohort of Pre-U candidates will sit their examinations in 2022. From September 2021, we will commence teaching the OCR A-Level syllabus to Year 12. Both these courses allow teachers to explore a wide range of literature in accordance with their own interests and expertise.

We are a modern, forward-thinking school, always seeking to work at the forefront of developments in teaching and learning. Eton's willingness to innovate and evolve is a tradition which has seen the school thrive for almost six centuries.

Eton prides itself on the depth and range of its partnerships with the wider educational commonwealth.

We place great emphasis on extending Eton's educational reach as far as possible by making Eton accessible to those who could not otherwise afford to come here and by making our expertise and facilities available to students who are not our pupils.

Eton has made places available free of charge since its foundation in 1440 and we remain committed to making an Eton education accessible to talented students from all backgrounds.

For pupils in receipt of 100% bursaries, attending the school can be a life-changing opportunity. We work in partnership with specialist organisations such as Royal SpringBoard to provide these transformative experiences.

We also have one of the largest and most effective partnership programmes of any independent school in the country, with annual interactions with over 100 state-funded primary and secondary schools. These include the two free schools that Eton was involved in establishing, both of which offer an Ofsted 'outstanding' education to their pupils: Holyport College, and the London Academy of Excellence. Eton's staff and pupils benefit greatly from these relationships.

Our programme encompasses a wide range of activities including teaching provision, sharing sports facilities with local schools and community groups, student mentoring in numeracy and literacy, a Universities Summer School, an annual Community Fair fund-raising for charities, and voluntary service in the local community.

We set aside almost £8 million a year for financial aid and currently over 90 students receive 100 per cent bursaries and a further 200 receive significant financial support.

Life at Eton is rich, varied, exciting, challenging and immensely rewarding – for pupils and staff alike.

The school was founded by Henry VI in 1440, and is today the largest boys' boarding school in the UK. In keeping with the charitable intentions of our founder, we welcome pupils from all backgrounds. This year pupils joined us from over 120 different schools from across the country. 10% of pupils come from overseas.

Academic standards are high: over 90 per cent A*/A passes at GCSE, and over 95% A*/A/B passes at A-level or Pre-U equivalent.

Individual development and personal achievement are as important as academic results. Our diverse and busy co-curricular programme enables pupils to identify and develop skills and strengths through a huge variety of activities – from sports to music to theatre.

Games are central to Eton's curriculum, not just because pupils enjoy them, but because they help to develop many of the qualities in which the school believes.

The range of sports available is wide and includes football, rugby, hockey, cricket, rowing, athletics, squash, rackets and fives.

On some match days, there may be as many as 30 games and more than 40 teams playing. Our aim is to offer opportunities for every student to take part in and learn through sport.

Music thrives at Eton. A very generous building programme has doubled the size and scope of the music department in recent years. There are currently 122 Music Scholars and Exhibitioners and more than 1,000 music lessons are taught each week.

In the creative and performing arts, pupils participate in over 20 theatrical productions each year, and Eton productions regularly appear at the Edinburgh Fringe Festival.

CARING FOR OUR PUPILS

The school provides outstanding pastoral care for pupils. We are a full boarding school with 25 boarding houses, each home to around 55 pupils aged 13-18. The houses are the heart of life at Eton.

Each house is run by a dedicated team, including a House Master and Dame who live onsite and a team of support staff. Each house is also supported by teaching staff members, who carry out regular evening duties as a House Assistant.

Pupils are also tutored in small groups by a dedicated Tutor, who meets with them regularly and takes an interest in their academic progress and wellbeing.

We care about the individual and pride ourselves on the warmth of a community in which all our pupils feel valued.

SIMON HENDERSON | HEAD MASTER

We are committed to creating and sustaining an environment that values and celebrates the diversity of both staff and pupils. We believe in equal opportunity for everyone, irrespective of age, disability, gender, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sexual orientation or socio-economic background.

We are looking for suitably qualified candidates from all backgrounds.
