Site Technician - Apprentice

Full-time and all year around post with Permanent Weekends

Haydon is a large, friendly and diverse school in North West London. We have been judged as good by OFSTED.

The Role:

- To ensure that the school site is safe, secure and ready for use throughout its opening times, delivering an excellent environment for teaching and learning for our students and staff.
- To maintain the site, its buildings, grounds, gardens, assets, furniture and equipment as directed in order to ensure a well maintained and secure environment.
- To take all reasonable steps to minimise loss or damage to the property of the school, its employees or the other users of the site and protect the overall security of the site. As a key holder, responding in person to emergency call outs at any time as required.
- To open up and check the school site in the mornings. To secure the school premises at the end of the day; checking the premises to ensure that all occupants have vacated the site, all windows and doors are closed and locked, all electrical equipment is switched off, activating intruder alarms and ensuring the safekeeping of keys to the premises.
- To respond to routine emergencies at any time and undertake appropriate repairs, giving priorities to matters affecting health and safety and safeguarding.

About you:

At Haydon School, we really value people who work well in a team, are self-starters, enthusiastic, flexible and have a can do attitude.

Requirements:

- Excellent communication and interpersonal skills
- High personal and professional standards
- Able to work independently.
- Adaptable, reliable and organised.
