DIOCESE OF SALFORD

15th December 2020

Dear Applicant

I am delighted to welcome you to St Monica's Roman Catholic High School a voluntary academy within St Teresa of Calcutta Roman Catholic Multi Academy Trust. I am pleased that you are interested in applying for the position of Teacher of P.E. at our school. We have the pleasure of serving the Catholic community of Prestwich and the surrounding area.

The foundation of all our work is the gospel message. Our Mission Statement really does capture what we stand for and the education we aim to provide for all of our students. We are keen to employ staff who are committed to supporting and leading within our Catholic context.

Our school is rapidly improving and this has been recognised by both the Salford Diocese in July 2019 and Ofsted in December 2019. Our 2019 overall progress was also strong and we expect it to continue to move forward. Our vision is to ensure all aspects of our work are exceptional - our Catholic duty is to serve those pupils who come through our doors each and every day. I am convinced of the difference that we can make together over the coming years.

We are now striving to improve our outcomes so that young people leave us with the skills and talents needed to create God's Kingdom once they have left us. I always challenge the students to excel. If we do our job as we should, a future Prime Minister or world-class surgeon is in our midst. We love and value our students and we do all we can so they can become successful, and I am looking for likeminded professionals to join our team who think and act the same.

If you wish to become part of our community, please return the application form and supporting statement to us by Friday, 15th January at 12:00 pm. Should you wish to visit the school prior to submitting an application, this can be arranged by contacting h.collier@stmonicas.co.uk. I would be delighted to meet you and outline the steps we are going to take to become a school pupils and parents can be proud of.

Once again, thank you for the interest and time you have committed to the application process so far. If you believe you have skills and drive to be exceptional, and are keen to serve the young people of Prestwich and are a teacher who is looking for career defining challenge, you could be just the person we are looking for.

Yours faithfully

Mr C Foley

THE PHYSICAL EDUCATION DEPARTMENT

St. Monica's PE Department Ethos: 'Realising potential through participation, performance and success'.

The Physical Education department aim to provide all children with a positive experience within their PE lessons and extra-curricular activities. We aim to encourage a lifelong interest in sport in line with the School Mission Statement. We strive to ensure that each and every pupil has the opportunity to develop physically, socially, and morally within the department's programmes of work.

A PE teacher should enable his/her pupils to acquire knowledge, skills and understanding within lessons. He/she should develop positive relationships with all pupils to establish a purposeful working, environment in which pupils can develop and flourish to achieve their full potential.

Not only should pupils be positively encouraged during curriculum time, but teachers should encourage pupils to achieve their potential through extra-curricular activities provided in school and by outside agencies.

The Curriculum

Key Stage Three

Throughout year 7, pupils receive two hourly lessons of PE. Pupils study invasion and striking games, gymnastics, dance, athletics and fitness. The department recognise the value of a full unit of work incorporated into the curriculum for Health-Related Fitness.

During years 8 and 9, pupils also receive two hours of PE and study invasion, striking and net games, gymnastics, dance, trampoline, athletics and fitness.

Key Stage Four

At year 10, pupils receive one hour of core PE and can also opt to study the GCSE PE Edexcel course. In core PE pupils study invasion (both), striking (girls) and net (girls) games, athletics, trampoline (girls) and fitness.

At year 11, pupils choose which activities they would like to study as the depth of the activity areas covered in year 10 allows the department to provide the pupils with the opportunity to experience areas of the curriculum that particularly interest them. Pupils can opt for activities such as:

- Badminton, Basketball, Trampoline, Football, Girls Football, Table Tennis, Fitness

GCSE PE

GCSE PE is offered in one option block at year 10. Usual cohorts consist of 45-55 pupils with school representatives always encouraged to take the option. The department studies the Edexcel syllabus. We feel

that this syllabus is most suitable to the needs and expertise of our pupils. The course is examined in the following ways:

- 60% Theory Examination
- 30% Practical Examination
- 10% Analysis of Performance and Personal Exercise Plan

Practical Activities are studied during years 10 and 11 in half term blocks. Pupils must be assessed in three activities across two areas. Activities available to be assessed in include:

- Football, netball, hockey, basketball, training, badminton, athletics, swimming, trampoline, table tennis, equestrian, skiing, boxing, cricket, gymnastics, dance and tennis

BTEC First Award in Sport

Exam Board: Edexcel

Assessment is comprised of external examinations and written coursework. The BTEC course will suit pupils who enjoy and are keen on sport, not just those who excel in it. Pupils opting for this subject will participate in a mix of practical and theory lessons so a fundamental interest is a necessity.

One of the main purposes of BTEC qualifications is to help students progress ultimately into employment. Over the duration of the course pupils will learn employability skills including self-management, problem-solving and team-work. Unlike the GCSE PE option, pupils are not assessed on their sporting ability but on their knowledge and understanding. Pupils opting for BTEC Sport complete a course equivalent to a GCSE where candidates are required to complete 4 units of work over the 2 years.

The units studied are:

- Fitness for Sport & Exercise (externally assessed)
- Practical Sports Performance
- The Mind & Sports Performance
- Training for Personal Fitness
- Extra-curricular is an integral part of the PE department. We compete within local, regional and national competitions in Football, Netball, Basketball, Hockey, Cross-country, Athletics, Rounders, Cricket and Swimming.

Applicants should make particular reference in their supporting statement to the following:

- Catholic Ethos
- State clearly experience gained teaching across both Key stages 3&4
- Any relevant exam results, if applicable
- Commitment to extra-curricular activities
