Crayford Academy has the opportunity for a motivated individual who is looking to further their career in the Education IT sector. We are looking for someone with a good understanding of IT to work with the Academies IT team and the wider Federation IT teams.

As part of the corporate services team you will be expected to deliver a high level of customer service whilst being responsible for ensuring that all IT services at Crayford Academy, and associated schools, are delivered both reliably and safely for all users. Ensure that faults and requests are resolved in a timely manner with minimal disruption to the users work.

You will have a good understanding of IT technologies ranging from desktops to switching to servers, and be comfortable working in a fast paced education environment. There will be opportunities to work alongside the Federation IT team and other schools to develop and support a growing network of 8000 users and 1000+ devices.

We can offer you the opportunity to join a Multi Academy Trust, extensive support from staff at all levels, and outstanding professional development. If you feel that this position is of interest and you have the right experience, skills and are ready for fresh challenges, with the ambition to make a real impact then we'd like to hear from you.

To apply please complete the application form and supporting documents found on our website at www.habsfed.org.uk/Staff-Vacancies/ Applications should be returned to Lauren Exford, HR Administrator (crayfordhr@haaf.org.uk), quoting reference number: 014/IT Technician/201920/CALE
