Letter from our Headteacher

Post of Teacher of Psychology

Thank you for your interest in this post at Beacon Academy which offers an exceptional opportunity to teach in a large highly successful, happy, well-resourced, exceptional non-selective 11-18 school.

At Beacon Academy, our teachers are subject experts who persistently advance their knowledge. They debate its content and pedagogy to ensure that our students are taught the very best, and in doing so, they aim for our students to love their subject. Increasingly and intentionally, our teachers make links with other subjects to draw on students' prior knowledge and enable them to understand new content.

We wish to appoint a dedicated, hardworking, highly skilled and knowledgeable Teacher of Psychology. The successful candidate will be as we have described above and have high expectations, excellent subject knowledge as well as genuine ambition. They will consistently plan and deliver lessons that inspire, engage and challenge each of their students enabling them, including the most disadvantaged and those with SEND to be enthusiastic about their learning, develop a deep knowledge about the most significant ideas and make excellent progress.

Context

We are a split site, semi-rural, mixed 11-18 non-selective converter academy with approximately 1467 students, including over 240 students in our Sixth Form. We are situated centrally in Crowborough on the outskirts of the Ashdown Forest, an area of outstanding natural beauty. We are close to Tunbridge Wells and the South Coast. The vast majority of our staff travel to Beacon from a variety of destinations within the South East, including Brighton, Eastbourne, Lewes and Tunbridge Wells.

Our catchment area generates our truly non-selective intake, both in terms of ability and socio-economic background. We are an oversubscribed school. We draw students from more than 10 primary schools in Crowborough and the surrounding areas. We also attract applications from an increasing number of students outside of our catchment area, however, due to our oversubscription we are generally only able to offer places to those within our pre-defined community area.

Our sixth form provision is accommodated entirely at our Green Lane site, an 800m five minute walk from our main Beeches site which accommodates years 7-11. We are immensely proud that we retain a high proportion of our Sixth Form students from Beacon Academy as well as recruiting students from other local and international schools.

Vision, culture, expectations and outcomes

Our vision is to provide the best possible education for all of our students and to be ambitious for excellence in all we do. Whether a member of staff, trustee (governor) or student, we all work relentlessly to inspire and believe in one another to achieve our ambitions and succeed in life.

At Beacon Academy there is an expectation that as staff and students, we will work hard, be ambitious, self-motivated, inquisitive, resilient and determined to succeed. Our students work incredibly hard, are polite, respectful, well behaved, well presented and ready to learn. They are expected to be caring, considerate and tolerant in lessons, social time and whilst travelling to and from school. These areas are reinforced and adopted positively by staff and students alike – there is a tangible sense of pride in being part of Beacon. Our students are meticulously supported by our experienced, loyal, highly skilled and highly effective team of staff. This includes a dedicated, non-teaching Student Support Team consisting of a Head of Year (teaching staff) and an Assistant Head of Year (non-teaching staff) for each year group who support them throughout their time at Beacon Academy.

The rigorous focus on all of our students as unique individuals is paramount. There is an unprecedented determination and commitment from everyone who works at Beacon that they will succeed. We work diligently on our unapologetically high expectations and standards, allowing us to foster exceptional relationships in an environment that is consistently calm, safe, happy and orderly. I have no doubt that the combination of this with our broad, balanced curriculum and outstanding teaching contributes significantly to our sustained improvements across the board. Our latest A-Level and GCSE results are testament to this and to the teamwork of our phenomenal students and staff.

In 2019 we were immensely proud and delighted to be celebrating the best ever A-Level and GCSE results in our sixty year history, and we found ourselves once again significantly above county and national averages. These results placed Beacon Academy as the top performing school in East Sussex and one of the top performing schools nationally.

Exam Success (last published results 2019 due to COVID)

As confirmed by the Department for Education's national league tables, in 2019 Beacon Academy was the number one school in East Sussex for the third year running under the headline Progress 8 measure, in first place in Sussex overall and in the top 1.8% of all schools nationwide.

Progress 8 is the Government's main performance measure, and reflects the value that schools add to the progress of their students in respect of their final GCSE grades, compared to that of their peers of similar prior ability across the country.

In 2019 our Progress 8 score was 0.97. As a non-selective, non-denominational, non-fee-paying school, we are immensely proud and delighted to have received this confirmation, once again, of our high-ranking position. We are in an esteemed group of 6% of schools nationally who are now categorised as 'well above average' for two years in a row. There are approximately 25 schools nationally who have been above us for each of the last three years (0.7% of all schools). As ever, this is a reflection of our vision and our determination to consistently provide the best possible education for all of our students, and to become an exceptional school for our community, both locally and nationally.

We are incredibly proud of our Sixth Form students. Amidst significant national changes to the structure and content of A Levels, they have achieved some excellent results and 94% of those who applied to university were accepted at their first choice institution.

Our results for 2019 show an increase in all A Level and GCSE attainment measures. Please note that due to the pandemic, we are not able to publish our 2020 results, however we would have continued and sustained our upward trajectory for both our GCSE and A Level outcomes.

The Psychology Department

The Psychology department is a well-established department which offers A level Psychology in the 6th form, and since 2019, also at GCSE- both courses follow the AQA Specification. The subject is a popular choice for students, with currently two classes in both Y10 and Y11, three classes in Y12 and two in Y13.

The strengths of the department lie in the expertise and commitment of the staff and also the enthusiasm of our students in studying such a fascinating subject. We produce all our own resources, which consist of a set of workbooks relating to each topic taught, with accompanying Powerpoint presentations. Each year, a high proportion of our students continue to study psychology at university. Recently, a number of our students have been successful in obtaining a place to study Experimental Psychology at Oxford and Cambridge Oxford.

We offer regular extra support sessions to all students, both during and after school hours, which allow students to have a more focussed level of contact with staff.

We aim to enrich student's experience of the subject by having visitors such as educational psychologists to talk to the classes, and also have run many trips to conferences and workshops. In recent years we have taken groups to see Philip Zimbardo speak in London, to conferences that include hypnosis sessions and to hear first-hand from an ex-convict who had spent time on death row.

I have thoroughly enjoyed coming to work at Beacon Academy. The commitment and dedication from the staff to ensure students are achieving, and going above and out of lessons is amazing to see. As an NQT I received so much support from other members of staff and feel like I can ask anyone for help.
