AN INTRODUCTION TO KING'S COLLEGE, TAUNTON

King's College is a thriving boarding and day school of approximately 490 pupils. It combines strong academic achievement, traditional values and excellent pastoral care with a progressive, modern outlook, providing girls and boys aged 13–18 with the opportunities, confidence and ability to reach their full potential within a happy and caring environment.

King's Hall Prep School (located some three miles away) combines with King's College to provide a continuous education from 2-18. The two schools are run by one governing body, with many functions (marketing, strategy and finance for example) undertaken jointly.

King's College has a rich and welcoming family and community ethos. Just over 60% of the pupils board. For a relatively small school, it has an enviable record

of success in all areas. The school has regularly topped GCSE and A level league tables for Somerset. A broad range of co-curricular activities is offered, and the school is renowned for its success in sport, music, performing arts, fine art, design technology and outdoor pursuits. In many of these activities our pupils have achieved success at national and even international levels.

Good discipline is encouraged in a firm and positive way within a supportive pastoral framework. King's College is strong on manners and social skills. Pupils go on to thrive at good universities and in their professional careers.

In short, King's is a purposeful, outward-looking, down-to-earth, highly successful school.

BTEC Sport was introduced in September 2016 and has proved a hugely popular addition to our Sixth Form offering. Most pupils take the extended diploma however a few combine one A level with the BTEC diploma. PE is taught to all pupils in Year 9 and then is an optional subject at both GCSE and A Level; it is a hugely popular subject at all levels, with over 40 pupils in each GCSE year. There are currently four GCSE sets in Year 10 and three in Year 11. A good number of pupils take the subject at A level, where we have one set in each of the Lower Sixth and Upper Sixth. BTEC and A level results span a range of abilities, with several going on to read the subject, or associated subjects, at prestigious universities.

The Department

The department has classrooms in the Sports Hall and in the Philip Richards building, an extension of the main school building which also houses our wonderful library. All three classrooms are fully equipped with all the IT expected of an interactive 21st century classroom, as well as a department office. Teachers all are provided with a laptop which means they can work in any classroom. There are clear schemes of work with departmental guidelines for teaching methods and the department meets regularly to discuss all aspects of teaching and learning.

There are five full-time BTEC Sport and PE teachers, most of whom teach across all qualifications. Ideally, therefore, it would be preferable if candidates could also offer experience of teaching both BTEC Sport and PE. It is expected that any member of the academic sports department will also make a significant contribution to co-curricular sport at King's.

We require an enthusiastic teacher to join our BTEC Sport and PE team from January 2022.

As previously mentioned, the ability to contribute in some way to this programme would be a distinct advantage. All teachers also tutor a small number of pupils and most undertake an evening duty in one of our boarding houses.
